75 Dollars Reward.
STAYED or stolen from an enclosure in Old Town, on the night of the 22d instant, a dark bay Horse, about 14 or 15 hands high, 9 or 10 years old, shod all round, his hoofs are remarkably bad, occasioned as it is supposed from having been foundered; it is not recollected that he had any brand; there are a few white spots on his back, occasioned by the saddle. It stolen, the above reward will be paid on the recovery of the horse, and conviction of the thief, or 5 dollars for the horse only, whichever stolen or frauded, and reasonable expenses if delivered to me, at No. 17, Market-street.

100 Dollars Reward.
RAN away from the subscriber, on Tuesday night, the 17th July last, a negro woman, named AIMEE, about 35 years of age—she is a thin spare woman, very black, active in moving and quick in her speech; her teeth out before in her upper jaw, all but one, which is near the centre of her mouth, it is long and very remarkable—her clothing cannot be particularly described, as she has several changes of calico, muslin, and common coarse clothes, and her living free connections, she may have changed her clothes. I brought her last fall of a Mr. Henry Johns, living near Deer Creek, in Harford county, in which neighborhood I think it probable she may be harbored. I will give 20 dollars to any person that can give information of any person or persons harboring said woman, so as to convict them by law. I will give the above reward, if she is taken up out of the state; 50 dollars if taken in the state, and out of the county; and 30 dollars if taken in the county, and secured in any goal, and if brought home all reasonable charges will be paid by PEREGRINE NOWLAND.
P. S. She is cheerful in her speech when talked to, but not apt to be talkative, but I believe pretty shy and cunning; and perhaps may have a pair from having free connections—she was raised near Havre de Grace, by a Mr. Gilles.

The tickets to be sold in halves, at five dollars each.
The Managers respectfully solicit the aid of the public to accomplish the object of the above Lottery.—Considerable exertions for several years having been already made by an association of ladies, for the education of poor orphans of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.
The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax.—The Managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of adventure, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.
For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.
The managers have given bond for the faithful performance of their trust.
Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12 1/2 per cent.—If not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.

Columbian Inn.—Removal.
DAVID FULTON,
WHO has for some time and at present holds this establishment, respectfully informs his friends and the public, that he will remove on the 10th day of December next, to that extensive and commodious house occupied by Mr. P. Wyant. To those acquainted with the situation and conveniences of the house, nothing need be said; to strangers it may be necessary to observe that it is situated in the most central part of Baltimore street, and has been long established as a house of entertainment; in it there are more convenient chambers, and it is more extensive and a better adapted building, in every respect, than the one he at present occupies. He assures his customers that he has not changed his situation, without consulting their comfort as well as his individual interest—at the same time would observe, that the kind & liberal patronage which he has been favored with will be an inducement for him to spare no pains or expense in his endeavors to deserve a continuance thereof.

To the Voters of the city and county of Baltimore.

HAVING been encouraged by many of my friends in the city and county, to offer myself as a candidate to be put in nomination for the office of SHERIFF, at the ensuing election, I hope it will not be deemed improper to solicit the patronage of my friends generally, and the voters of the city and county at large.
Those who have not a personal knowledge of me, will, on enquiry, find that I have been bred a tanner, and have been conversant in mercantile transactions from early life—Should my fellow citizens think proper, at the expiration of the time of the present sheriff, to bestow on me the office, I trust my conduct therein will be such as will give satisfaction, if a diligent attention and a faithful discharge of the duties thereof, are capable of doing the same.

A LARGE BODY OF Excellent Lands for Sale,
Worthy of the Attention of Emigrants from Europe, and of their friends.
A No original proprietor of Forty Thousand acres, in two large tracts, (though in several patents) all adjoining—3,000 acres of which are situated in Ohio county, and state of Virginia, lying and being on fishing creek near to the Ohio river; and 15,000 acres lying and being on Hugh's river, in Harrison county, contiguous to the other tract. They are not more than about 40 miles from Wheeling, the county town; and about 300 miles from Baltimore and Washington cities.
They were taken up in the year 1781, under the direction and superintendance of the Rev'd. William Werth who purchased the locations, with the guarantee and warranty of the surveyors of the county, against the claims of all persons whatever. That they are well watered, and timbered, with the different kind of oaks, hickory, ash, maple, walnut, sugar trees, &c. and the under wood abounds with ginseng, spikenard, spice-wood, teavine, &c. There are a number of good and valuable mill seats—many fine rich bottoms for meadow, and a number of rich and sharp hills, suitable for vines and vineyards.—They are by nature well adapted to the culture of vines—having extensive south fronts, and an amazing rich soil.

THE Managers of this Lottery flatter themselves, from the elevated and healthy situation chosen by the Commissioners appointed for erecting the Market-house, that it will be of the greatest utility and advantage, to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.
As the above Scheme offers every possible encouragement to adventurers, from the many valuable Prizes it contains, and there being considerably less than two Blanks to a Prize, and all Prizes payable in 60 days after the drawing of the Lottery is completed without any deduction, the Managers entertain the greatest hopes of such a speedy sale of the Tickets, as may enable them to commence drawing without loss of time.

VENERAL COMPLAINTS
A S Dr. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.—As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.
Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicine so prepared that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.
N. B. Dr. Warner has removed from Bond-street, to Chamberland Row, No. 66, below the Marsh-market.
