AS all those who have viewed this surprising exhibition, expressed a desire to bring their families or friends, but hinted that the present scarcity of ready cash, and the admission money of one dollar too high, to admit of gratifying their wishes.—The proprietor, from those suggestions, is induced to rescind his first intention of not lowering the price.—In future the price will be 75 cents each, for grown persons, and half price for children. **100 Dollars Reward**  
FOR apprehending negro ROBBIN, who ran away from Dorsey's Forge, near the city of Baltimore, on Wednesday the 1st ult. he is a very black fellow, about 30 years of age, 6 feet high, short curly hair, which he very seldom combs; rather of a thin visage, has a good set of teeth; broad shoulders and tapers gradually downwards; his right leg formerly has been very sore and retains the scar on the shin bone. Indeed they have both been very sore; but the right much worse than the left. He is fond of strong drink, and after drinking is very apt to a snore or stammer when he speaks, though he speaks low and slow. He has been accustomed to working in the Forge, and is not a bad fireman, and can handle iron tolerably well. His clothing when he went away was, a country mixed tilled cloth jacket, a pair of new doted breeches, a pair blue tilled stockings, ornamental shirts, coarse shoes and hat; but as he is a notorious and villain, he will probably change his dress and obtain a pass.  
I will give the above reward including what the law allows, for apprehending and returning said fellow, and reasonable expenses if brought home.  
ALLEN DORSEY, Manager  
At Dorsey's Forge.

**WASHINGTON TONTINE.**  
Georgetown, 6th October, 1844.  
A NUMBER OF PROPRIETORS in the city of Washington, with views to convert their property into immediate money, have formed the following PLAN of a TONTINE; and have appointed the subscriber their agent for carrying the same into execution.  
A list of the lots embarked in this enterprise precedes the plan of the institution. Plats of the city, on which these lots will be designated, will be lodged at the several taverns in Washington and Georgetown, for public inspection; and books will be opened in the city for receiving subscriptions of shares, on the 1st day of December, ensuing. Should books be opened elsewhere, due notice will be given thereof. Payment must be made for the shares at the time of subscribing, but if contrary to reasonable expectation, a sufficient number of shares should not be subscribed for the execution of the scheme, the money shall be faithfully returned to the subscribers, and without any unnecessary delay.

The constitution of the Tontine is too plain to need explanatory remarks. The basis of the institution being a rising property, rated on a very low scale, the advantages must be greater than could result from a mere mortgaged institution. It seems indeed more than probable, that each stockholder who survives the dissolution of the company, will find the value of his stock augmented twenty fold, or more. If any think that this savors of extravagance, let them advert to the increased value of unimproved property in any of our large towns, during the last 20 years. Let them compare with the prices of the Tontine lots, those of the most indifferent property in any of these towns, now. It will not be contended that any town in the United States had 20 years ago, fairer prospects of rapid increase, than Washington has at this day. The fact will not be disputed, that the Tontine lots are generally amongst the most valuable in Washington.

The seat of government for such a country as the United States, can not long remain an incalculable city. But Washington has an advantage more important than even this. It is the nearest sea-port to that country which may be justly denominated the granary of America. A plan of this kind, formed 20 years ago on the basis of unimproved property in Baltimore, or even in Georgetown, would have succeeded to the surviving adventurers of this day, a profit of forty, if not an hundred fold.

In May, 1800, Washington contained 3,200 inhabitants—in May 1830, 4,350. The number now exceeds 5,000. In the same ratio of progress we increase, the population in 1807 will be 6,600—in 1810, 8,800—in 1813, 11,800—in 1816, 15,800—in 1819, 20,000—in 1822, 26,000 and in 1823, 33,000. Men of sense, who examine the situation of the Tontine lots, will perceive that the whole of them must be in demand for improvement before the population rises to 20,000. From the time, happen when it will, that our commerce shall principally depend upon our own productions, and our own consumption, the increase of the city will be infinitely more rapid. The resources of the country attached to it by nature, are now equal to the maintenance of 60,000 souls in the city. These resources, diverted at this time into many different channels, will be confined almost exclusively to Washington, when Europe shall be at peace, and each maritime nation can carry for itself.

The usual mode of selling lots in our large towns, is by their cent foot—in Washington the mode is by the square foot. At the highest price in this plat, a lot of 25 feet by 120, will be 250 dollars—the lowest price 60 dollars; in squares where there are alleys, a traffic more.

The following lots in the City of Washington are those engaged for the Washington Tontine.  
Lots number 12 in sq 47, lots 16 in 49, lots 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26 27 28 29 30 31 32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48 49 50 51 52 53 54 55 56 57 58 59 60 61 62 63 64 65 66 67 68 69 70 71 72 73 74 75 76 77 78 79 80 81 82 83 84 85 86 87 88 89 90 91 92 93 94 95 96 97 98 99 100 101 102 103 104 105 106 107 108 109 110 111 112 113 114 115 116 117 118 119 120 121 122 123 124 125 126 127 128 129 130 131 132 133 134 135 136 137 138 139 140 141 142 143 144 145 146 147 148 149 150 151 152 153 154 155 156 157 158 159 160 161 162 163 164 165 166 167 168 169 170 171 172 173 174 175 176 177 178 179 180 181 182 183 184 185 186 187 188 189 190 191 192 193 194 195 196 197 198 199 200 201 202 203 204 205 206 207 208 209 210 211 212 213 214 215 216 217 218 219 220 221 222 223 224 225 226 227 228 229 230 231 232 233 234 235 236 237 238 239 240 241 242 243 244 245 246 247 248 249 250 251 252 253 254 255 256 257 258 259 260 261 262 263 264 265 266 267 268 269 270 271 272 273 274 275 276 277 278 279 280 281 282 283 284 285 286 287 288 289 290 291 292 293 294 295 296 297 298 299 300 301 302 303 304 305 306 307 308 309 310 311 312 313 314 315 316 317 318 319 320 321 322 323 324 325 326 327 328 329 330 331 332 333 334 335 336 337 338 339 340 341 342 343 344 345 346 347 348 349 350 351 352 353 354 355 356 357 358 359 360 361 362 363 364 365 366 367 368 369 370 371 372 373 374 375 376 377 378 379 380 381 382 383 384 385 386 387 388 389 390 391 392 393 394 395 396 397 398 399 400 401 402 403 404 405 406 407 408 409 410 411 412 413 414 415 416 417 418 419 420 421 422 423 424 425 426 427 428 429 430 431 432 433 434 435 436 437 438 439 440 441 442 443 444 445 446 447 448 449 450 451 452 453 454 455 456 457 458 459 460 461 462 463 464 465 466 467 468 469 470 471 472 473 474 475 476 477 478 479 480 481 482 483 484 485 486 487 488 489 490 491 492 493 494 495 496 497 498 499 500 501 502 503 504 505 506 507 508 509 510 511 512 513 514 515 516 517 518 519 520 521 522 523 524 525 526 527 528 529 530 531 532 533 534 535 536 537 538 539 540 541 542 543 544 545 546 547 548 549 550 551 552 553 554 555 556 557 558 559 560 561 562 563 564 565 566 567 568 569 570 571 572 573 574 575 576 577 578 579 580 581 582 583 584 585 586 587 588 589 590 591 592 593 594 595 596 597 598 599 600 601 602 603 604 605 606 607 608 609 610 611 612 613 614 615 616 617 618 619 620 621 622 623 624 625 626 627 628 629 630 631 632 633 634 635 636 637 638 639 640 641 642 643 644 645 646 647 648 649 650 651 652 653 654 655 656 657 658 659 660 661 662 663 664 665 666 667 668 669 670 671 672 673 674 675 676 677 678 679 680 681 682 683 684 685 686 687 688 689 690 691 692 693 694 695 696 697 698 699 700 701 702 703 704 705 706 707 708 709 710 711 712 713 714 715 716 717 718 719 720 721 722 723 724 725 726 727 728 729 730 731 732 733 734 735 736 737 738 739 740 741 742 743 744 745 746 747 748 749 750 751 752 753 754 755 756 757 758 759 760 761 762 763 764 765 766 767 768 769 770 771 772 773 774 775 776 777 778 779 780 781 782 783 784 785 786 787 788 789 790 791 792 793 794 795 796 797 798 799 800 801 802 803 804 805 806 807 808 809 810 811 812 813 814 815 816 817 818 819 820 821 822 823 824 825 826 827 828 829 830 831 832 833 834 835 836 837 838 839 840 841 842 843 844 845 846 847 848 849 850 851 852 853 854 855 856 857 858 859 860 861 862 863 864 865 866 867 868 869 870 871 872 873 874 875 876 877 878 879 880 881 882 883 884 885 886 887 888 889 890 891 892 893 894 895 896 897 898 899 900 901 902 903 904 905 906 907 908 909 910 911 912 913 914 915 916 917 918 919 920 921 922 923 924 925 926 927 928 929 930 931 932 933 934 935 936 937 938 939 940 941 942 943 944 945 946 947 948 949 950 951 952 953 954 955 956 957 958 959 960 961 962 963 964 965 966 967 968 969 970 971 972 973 974 975 976 977 978 979 980 981 982 983 984 985 986 987 988 989 990 991 992 993 994 995 996 997 998 999 1000

The titles of every proprietor are to be investigated and approved of by John T. Mason and Philip B. Key, esqrs. before passing the deeds.

Article 2. Every subscriber may, at the time of subscribing, or at any time before the first day of July, in the year 1805, nominate a person or persons with whose life or lives the shares taken for him shall be commensurate: And any person desirous of making provision beyond the reach of common accident, for persons of tender age, may subscribe in the names of such persons. Subscriptions may be also made by proxy. But, until the nomination shall be made as aforesaid, the existence of the shares shall depend upon the lives of the persons in whose names they shall have been subscribed. All nominations on which the shares are to depend, must include a description of the age and place of residence of the persons nominated; and nominations not made at the time of subscribing, may be sent to the director, who shall be first elected to manage the concerns of the company, any time before the first day of July, as aforesaid.

Article 3. Upon the death of any person, with whose life a share or shares shall have been made commensurate, such share or shares shall thereupon be extinguished; and all the interest of the owner thereof, in the property of the company, dependent upon such shares, shall cease and determine, and the same shall become the property of the owners of the surviving shares, meaning the shares dependent upon the lives of persons continuing to survive.

Article 4. The affairs of the company shall be managed under the superintendance & direction of five directors, who shall be stockholders, to be chosen in each year by ballot, by the stockholders attending in person, or by proxy, each to have as many votes as shares. The first election shall be held at Stelle's Hotel in the city of Washington, on the first Monday in February, 1805, under the direction of Robert Brent, John P. Van Ness, David Peter, Walter S. Chandler, and John Davidson, esqrs. or any two of them; and each succeeding election shall be held on the first Monday in every January thereafter, under the superintendance of at least two of the directors for the year preceding; at such place in the said city as they shall at that time give notice thereof in one or more newspapers, published in the city of Washington.

Article 5. The directors shall have full power to sell, or to lease on ground rent, renewable forever, the property belonging to the company; and to manage all the other concerns of the company; but they shall not dispose of more than one sixth part of the lots in any one year, prior to the year 1810; nor sell the same at less than 25 per cent. advance on the original cost; nor shall they lease them at a less rate than 12 and an half cents per front foot, for every cent cost to the company per square foot. But though the limits are thus fixed, below which the property cannot be disposed of, it is not meant that it is to be sold as fast as these rates can be obtained: On the contrary, the directors are at all times to exercise a sound discretion for the best interests of the company; and to keep in view the certainty of rise in the value of the property, from the increasing population of the city.

Article 6. All money arising from the sales of lots, shall be invested in the stock of the United States, in the name of the company—the interest arising from which, as well as all money arising from ground rents, shall also be invested in like stock, until the last day of December, in the year 1807—after which, all interest arising from stock, or sales of lots on time—and all monies arising from ground rents, and all other profits, shall be divided semi-annually on the 15th day of January, and the 15th day of July in each year, among all the share owners, in proportion to the interest of each whose shares existed by the continuance of the lives with which they were made commensurate, on the first day of that year.

Article 7. The dividends shall be paid at the office of the company in Washington, to the owners of the shares in person, to their power of attorney, or to their written order; but before any dividend shall be paid, satisfaction must be afforded to the directors, for the time being, that the person, on whose life the shares in question depend, was living on the first day of January in that year.

Article 8. In cases where the dividends are not claimed for six months after the same shall be one due, and there is reason to doubt whether the person on whose life the shares depend on which such dividends arise, continues to survive, the directors shall invest such dividends in stock of the United States, as if the same belonged to the capital of the company; but if the same shall thereafter be rightfully claimed, payment shall be made therefor, out of any funds of the company, not invested in stock.

Article 9. The shares shall be transferable, and all transfers shall be made on the books of the company, by the owners in person, or by power of attorney, according to the form used for transferring stock of the United States. But in cases where certificates have been issued by the directors to the owner of the shares, such certificate must be returned, and cancelled, before a transfer of the shares expressed therein shall be made.

Article 10. Every record of a transfer of shares, and every certificate issued for shares, shall designate the lives on which such shares depend.

Article 11. No change can be made of the person or persons on whose life or lives the shares shall depend. The life first nominated must forever remain the life on which the existence of the shares shall depend.

Article 12. The directors shall cause proper books to be kept of all their proceedings, accessible at all times to the stockholders; and shall particularly cause to be carefully recorded, the

nomination of the lives on which the shares depend—and also the deaths of such persons when the same shall be clearly ascertained; and may transfer from time to time, the active duties of their trust, to one of their own body, or to any other agent, and may make to such agent, a reasonable compensation for his services; but the directors themselves shall receive no compensation, unless it be in the case of a director who may be the survivor of a majority.

Article 13. On the first Monday in January in the year 1825, the Washington Tontine Company shall be dissolved—and the whole stock of the company in whatever existing, shall thereupon be divided amongst all the owners of the then existing shares, and in proportion to the number held by each.  
We, the subscribers, approving of the plan of the Washington Tontine, and agreeing to each and to the whole of the 13 preceding articles, do each of us agree to become members thereof, for the number of shares annexed to our respective names.

**VENERABLE COMPLAINTS**  
AS Dr. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vendible or known in Baltimore. He has removed it at desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.—As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.  
Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines prepared: that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.  
N. B. Dr. Warner has removed from Bond-street, to Cumberland Row, No. 64, below the North-market.

**French Night School—**  
Ecole Francaise.  
NOTICE is hereby given, That I, the subscriber, Teacher and Translator of the French and English Languages, intend to open the French School, in my common dwelling, on the 26th instant; and if 43 years experience, in giving tuition in this line, in different parts of the United States, will suffice, are not sufficient to entitle me to a share of encouragement, I beg those promising youths, who have a desire to become scholars, to apply to friend Philip Thomas, at the sign of the golden key, Baltimore-street, where they can be acquainted with my short, yet grammatical manner of Teaching.  
AS I can devote some leisure hours in the day time, to the instruction of a few scholars, I should be happy to make an engagement.
