WASHINGTON TONTINE.

Article 1. The capital of the company shall be two hundred and fifty thousand dollars, divided into shares of fifty dollars each; and the same shall be invested in three millions eight hundred and ten thousand eight hundred and seventy square feet of ground in the city of Washington, including privileges or alleys; to consist of the lots, a particular list of which is hereto annexed, and which their owners have consented to sell to the company by sufficient deeds of general warranty, and free from all incumbrances, unto David Peter and James Morrell, esqrs. of the district of Columbia, and to the survivor of them, and to the executors and administrators of such survivor, to be held by them in trust until disposed of as hereafter provided, for the use and benefit of the company. The titles of every proprietor are to be investigated and approved of by John L. Mason and Philip B. Key, esqrs. before passing the deed.

Article 2. Every subscriber may, at the time of subscribing, or at any time before the first day of July, in the year 1855, nominate a person or persons with whose life or lives the shares taken for him shall be commensurate. And any person desirous of making provision beyond the reach of common accidents, for persons of tender age, may subscribe in the names of such person. Subscriptions may be also made by proxy. But, until the nomination shall be made as aforesaid, the existence of the shares shall depend upon the lives of the persons in whose names they shall have been subscribed. All nominations on which the shares are to depend must include a description of the age and sex of the person or persons nominated, and nominations not made at the time of subscribing may be sent to the directors, who shall be first elected to manage the concerns of the company, any time before the first day of July, as aforesaid.

Article 3. Upon the death of any person, with whose life or lives the shares shall have been taken, the shares of such person or persons shall thereupon be extinguished, and the interest of the same shall be the property of the company, to be divided upon such shares, shall cease and determine; and the same shall become the property of the owners of the surviving shares, meaning the shares dependent upon the lives of persons continuing to survive.

Article 4. The affairs of the company shall be managed under the superintendance and direction of five directors, who shall be stockholders, to be chosen in each year by ballot, by the stockholders, as many in person, or by proxy, each to have as many votes as shares. The first election shall be held at Stelle's Hotel in the city of Washington, on the first Monday in February, 1855, under the direction of Robert B. Hunt, John P. Van Ness, David Peter, Walter S. Claiborne, and John Davidson, esqrs. Any two of them may each succeeding election shall be held on the first Monday in January thereafter, under the superintendance of at least two of the directors for the year preceding; at such place in the said city as they shall appoint, giving due notice thereof in one or more newspapers, published in the city of Washington.

Article 5. The directors shall have full power to rent, lease, or to lease on ground rent, renewable forever, the property belonging to the company; and to manage all the other concerns of the company; but they shall not dispose of more than one sixth part of the lots in any one year, prior to the year 1855; and the same at less than 25 percent advance on the original cost; nor shall they lease them at a less rate than 1 cent and an half cents per front foot, for every acre, cost to the company per square foot. But though the limits are thus fixed, below which the property cannot be disposed of, it is not meant that it is to be sold as fast as these rates can be obtained. On the contrary, the directors are at all times to exercise a sound discretion for the best interests of the company; and to keep in view the certainty of rise in the value of the property, from the increasing population of the city.

Article 6. All moneys arising from the sales of lots, shall be invested in the stock of the United States, in the name of the company—the interest arising from which, as well as all moneys arising from ground rents, shall also be invested in like stock, until the last day of December, in the year 1857—after which, all interest arising from stock, or sales of lots on time, and all moneys arising from ground rents, and all other profits, shall be divided semi-annually on the 1st day of January, and the 1st day of July in each year, among all the share owners, in proportion to the interest of each whose shares existed by the continuance of his lives with which they were made commensurate, on the first day of that year.

Article 7. The dividends shall be paid at the office of the company in Washington, to the owners of the shares in person, or to their power of attorney, or to their written orders; but before any dividend shall be paid, satisfaction must be shown to the directors, for the time being, that the person, on whose life the shares in question depend, was living on the first day of January in that year.

Article 8. In cases where the dividends are not claimed for six months after the same shall become due, and there is reason to doubt whether the person on whose life the shares depend, in which such dividends arise, continues to survive, the directors shall invest such dividends in stock of the United States, as if the same belonged to the capital of the company; but if the same shall thereafter be rightfully claimed, payment shall be made therefor, out of any funds of the company, not invested in stock.

Article 9. The shares shall be transferable, and all transfers shall be made on the books of the company, by the owners in person, or by power of attorney, according to the form used for transferring stock of the United States. But in cases where certificates have been issued by the directors to the owner of the shares, such certificate must be returned, and cancelled, before a transfer of the shares expressed therein shall be made.

Article 10. Every record of a transfer of shares, and every certificate issued for shares, shall designate the lives on which such shares depend.

nomination of the lives on which the shares depend—and also the deaths of such persons when the same shall be clearly ascertained; and may transfer from time to time, the active duties of their trust, to one of their own body, or to any other agent, and may make to such agent, a reasonable compensation for his services; but the directors themselves shall receive no compensation, unless it be in the case of a director who may be the agent as aforesaid.

Article 13. On the first Monday in January in the year 1855, the Washington Tontine Company shall be dissolved—and the whole stock of the company in whatever existing, shall thereupon be divided among all the owners of the then existing shares, and in proportion to the number held by each.

We, the subscribers, approving of the plan of the Washington Tontine, and agreeing to each and to the whole of the 13 preceding articles, do each of us agree to become members thereof, for the number of shares annexed to our respective names.

To the Voters of the city and county of Baltimore.

HAVING been entrusted by many of my friends in the city and county, to offer myself as a candidate to be elected in nomination for the office of SHERIFF at the ensuing election, I hope it will not be deemed improper, or thus early to signify my intention, and to solicit the patronage of my friends, especially, and the voters of the city and county at large.

Those who have not a personal knowledge of me, will be acquainted, in what I have been trained to do, and in what I have been conversant with in my mercantile transactions from early life—Should my friends think proper, at the expiration of the office, I trust my conduct therein will be such as will give satisfaction, if a diligent attention and a faithful discharge of the duties thereof are capable of doing the same. WILLIAM HENRYMAN, Corner of Baltimore and French-streets. October 16 1af
