A Dr. WARMER'S practice has been very extensively both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine used or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time. As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint. Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet. N. B. To the Owners and Planters of Tobacco, throughout the State of Maryland, Virginia and elsewhere. UNDER a late law of the General Assembly of Maryland, a large spacious commodious Fire-proof Warehouse, built at the end of the centre Market street and Frederick street, is now ready for the reception and inspection of Tobacco. It is proved that the great and many advantages attend to this Warehouse, both from its central situation in the city of Baltimore, not being more than 700 yards from the Custom House of the United States—the little danger of fire, and its ready and immediate accessibility by water, and any charge for wharfage, will reserve to the attention of all persons interested, is very convenient and near to the merchants who principally buy and deal in Tobacco—also to be approached by the largest craft, bay wharves, with sufficient moorings for all vessels employed in the exportation of this article, now being more than twelve feet water. Its exemption from risk by fire, and from wharfage, are also considerations offering peculiar advantages. The subscriber promises always to use utmost dispatch, care and attention for the interest of those who may please to consign their tobacco to his charge. JOSIAS STEVENSON, Inspector. d December 11
