NOTICE -

To the Owners and Plinters of Tobacco, throughout the State of Maryland,

Virginia and elsewhere. TNDER a late law of the General Assembly of Maryland, z. large, spacious and commodious Fire-proof Warehouse, built on the end of the centre Market space and Frederickstreet dock is now ready for the reception packing and impedian of Tebacco. It is presumed that the great and many advantages attached to this Warehruse, both from its central situation in the city of Baltimoré, not being more than 300 yards from the Cust m Hou e or the United States—the little danger from fire, and its easy, and immediate accessibility by water, with ut any cha ge for wharfag, will deserve and claim the attention of all persons interested. It is very convenient and near to the merchants who principally buy and deal in Tobacco-always to be approached by the large to ait, bay and crast, with sufficient navigation for all vessels employed in the exportation of this article, not drawing more than twelve fret water. Its exemption from risk by fire, and from wharfage, are also considerations offering peculiar advantages. The subscriber promises always to use the utmost dispatch, care and attention for the interest of those who may plouse to consign their tobacco to his charge. JUSIAS STEVENSON,
