

Stray Cows.
 CAME to the subscriber's plantation, of McCulloch & Lantzy's Calicoe manufactory, some time in September last, two STRAY COWS—one a large brindled white, about 12 years old; the other a small red and white, about 6 years old; no perceptible marks on either.—They appear to be forward with calf. The owners are desired to prove property, pay charges and take them away.

VERNER'S COMPLAINTS
 A Dr. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vendid or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.—As there are persons from various causes cannot personally apply, it may be necessary to inform them, that they may be relieved from a description of their complaint.
 Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.
 N. B. Dr. Warner has removed from Bond-street, to Cumberland Row, No. 64, below the Marsh-market.

JUST PUBLISHED,
 And for Sale by WARNER & HANNA, A
 Digest of the Laws of Maryland
 BY THOMAS HERTY,
 Of the City of Washington, conveyancer and notary public, alphabetically arranged, of all the public acts of Assembly now in force and of general use, from the first settlement of the state to the end of the session, 1803, with references to the acts at large.
 To which is added the Acts of Congress for the District of Columbia; from the assumption of jurisdiction, to the end of the session, which terminated in April 1803, inclusive.
 Also, a variety of precedents (adapted to the general acts) for the use of justices of the peace, &c. And also, a table explanatory of sundry technical law terms. In 2 vols. price 7 dollars 50 cents per set.
 No situation in life, no uprightness of heart, no prudence or circumspection of conduct, should tempt a man to conclude, that he may not at some time or other be deeply interested in these branches. The infirmities of the best among us, his vices and ungovernable passions of others, the instability of all human affairs and the numberless unforeseen events, which the compass of a day may bring about, will reach us, upon a moment's reflection, that to know with precision what the laws of our country have forbidden, and the deplorable consequences to which a wilful disobedience may expose us, is a matter of universal concern.
 Note.—The first or second vols. may be had separate.

NOTICE
 To the Owners and Planters of Tobacco, throughout the State of Maryland, Virginia and elsewhere.
 UNDER a late law of the General Assembly of Maryland, a large, spacious and commodious Fire-proof Warehouse, built on the end of the centre Market space and Frederick-street dock, is now ready for the reception, packing and inspection of Tobacco. It is presumed that the great and many advantages attached to this Warehouse, both from its central situation in the city of Baltimore, not being more than 300 yards from the Custom House of the United States—the little danger from fire, and its easy and immediate accessibility by water, without any charge for wharfage, will deserve and claim the attention of all persons interested. It is very convenient and near to the merchants who principally buy and deal in Tobacco—always to be approached by the largest craft, bay and coast, with sufficient navigation for all vessels employed in the exportation of this article, not drawing more than twelve feet water. Its exemption from risk by fire, and from wharfage, are also considerations offering peculiar advantages. The subscriber promises always to use the utmost dispatch, care and attention for the interest of those who may please to consign their tobacco to his charge.

 City of Baltimore, Inspector.
