The Managers respectfully solicit the aid of the public to accomplish the object of the above Lotter, -- Considerable exertions for several "ears having been already made by an associatien of ladies, for the education of poor orphans of all denominations-Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.

The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their go d wishes, by relinquishing the customary tax ... Ad. veniurers in this lottery, while they feel conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered
