## NOTICE

To the Owners and Planters of Tebacco. throughout the State of Maryland, Virginia and elsewhere.

TNDER al. to law of the General Assembly of Maryland a large, spacious and con-medious Fire-proof Warehouse, built on the end of the centre Market space and Frederickstrest dock, is now ready for the reception, packing and inspection of Tobacco. It is presumed that the great and many advantages attached to this Warehouse, both from its central situation in the city of Baltimore, not being more than 300 vards from the Cust in House of the United States—the litt e danger from fire, and its easy, and immediate accessibility by water, without any charge for wharfag, will deserve and claim the attention of all persons interested. It is very convenient and near to the merchants who principally buy and deal in Tobacco-always to be approached by the largest chaft, bay and coast with sufficient navigation for all vessels employ ed in the ex-octation of this article, not drawing more than 'welve feet water. Its exemption from risk by fire, and from wharfage, are also considerations offering peculiar a vantages. The subscriber promises always to use the utmost dispatch, care and attention for the interest of those who may please to consign their tobacco to his charge.

The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their go'd wishes, by relinquishing the customary tax ...
