NOTICE
To the Owners and Planters of Tobacco, throughout the State of Maryland, Virginia and elsewhere.

UNDER a late law of the General Assembly of Maryland a large, spacious and commodious Fire-proof Warehouse, built on the end of the centre Market street and Frederick street dock, is now ready for the reception, packing and inspection of Tobacco. It is presumed that the great and many advantages attached to this Warehouse, both from its central situation in the city of Baltimore, not being more than 500 yards from the Custom House of the United States—the fire danger from fire, and its easy and immediate accessibility by water, without any charge for wharfage, will deserve and claim the attention of all persons interested. It is very convenient and near to the merchants who principally buy and deal in Tobacco—always to be approached by the largest craft, bay and coast with sufficient navigation for all vessels employed in the exportation of this article, not drawing more than twelve feet water. Its exemption from risk by fire, and from wharfage, are also considerations offering peculiar advantages. The subscriber promises always to use the utmost dispatch, care and attention for the interest of those who may please to consign their tobacco to his charge.

JOSIAS STEVENSON,
City of Baltimore, Inspector.

French Night School—
Ecole Française.

NOTICE is hereby given, That I, the subscriber, Teacher and Translator of the French and English Languages, intend to open the FRENCH SCHOOLS, in my common dwelling, on the 26th instant; and if 43 years experience, in giving tuition in this line, in different parts of the United States, with success, are not sufficient to entitle me to a share of encouragement, I beg those promising youths, who have a desire to become scholars, to apply to friend Philip Thomas, at the sign of the Golden Key, Baltimore-street, where they can be acquainted with my short, yet grammatical manner of Teaching.

AS I can devote some leisure hours in the day time, to the instruction of a few scholars, I should be happy to make an engagement.

JOSEPH PAILLOTET,

VENEREAL COMPLAINTS
AS Dr. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vendored or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the best physicians both in Europe and America. Complaints of the urinary passages and disability thereof, from various causes and occasions, removed in the shortest possible space of time.

As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.

Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared that a safe, speedy and expeditious cure may be effected, without the least restriction in drink or diet.

N. B. Dr. Warner has removed from Bond-street, to Cornerland Row, No. 34, below the Marsh-market.

The tickets to be sold in Halves, at five dollars each.

The Managers respectfully solicit the aid of the public to accomplish the object of the above Lottery—Considerable exertions for several years having been already made by an association of ladies, for the education of poor orphans of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.

The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax on the above scheme, as well from the benevolence of its intention, as the principle of adventure, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.

The managers have given bond for the faithful performance of their trust.

Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 1 1/2 per cent.—if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.
