

Columbian Inn—continued.

ISAAC CAUSTEN

Respectfully informs his friends and the public, that he has leased for a term of years, commencing the 11th day of December next, that extensive well known house, the Columbian Inn, one door above the corner of Howard and Baltimore-street.

To those acquainted with the superior convenience and situation of this valuable property, nothing need be said. To strangers it may be necessary to observe, that it is situated in the most pleasant and healthy part of the city, and surrounded with respectable mercantile houses, therefore obvious to the convenience of country merchants, travellers, &c.

To this extensive establishment, I. Causten, solicits the patronage of his friends and a generous public, and begs leave to assure them every thing on his part shall be exerted to merit and secure their approbation.

To the Voters of the city and county of Baltimore.

HAVING been encouraged by many of my friends in the city and county, to offer myself as a candidate to be put in nomination for the office of SHERIFF, at the ensuing election, I hope it will not be deemed improper thus early to signify my intention, and to solicit the patronage of my friends generally, and the voters of the city and county at large.

Those who have not a personal knowledge of me, will, on enquiry, find that I have been bred to business, and have been conversant in mercantile transactions from early life—Should my fellow-citizens think proper, at the expiration of the time of the present sheriff, to bestow on me the office, I trust my conduct therein will be such as will give satisfaction, if a diligent attention and a faithful discharge of the duties thereof, are capable of doing the same.

NOTICE

To the Owners and Planters of Tobacco, throughout the State of Maryland, Virginia and elsewhere.

UNDER a late law of the General Assembly of Maryland, a large, spacious and commodious Fire-proof Warehouse, built on the end of the centre Market space and Frederick-street dock is now ready for the reception, packing and inspection of Tobacco. It is presumed that the great and many advantages attached to this Warehouse, both from its central situation in the city of Baltimore, not being more than 300 yards from the Custom House of the United States—the little danger from fire, and its easy and immediate accessibility by water, without any charge for wharfage, will deserve and claim the attention of all persons interested. It is very convenient and near to the merchants who principally buy and deal in Tobacco—always to be approached by the largest craft, bay and coast, with sufficient navigation for all vessels employed in the exportation of this article, not drawing more than twelve feet water. Its exemption from risk by fire, and from wharfage, are also considerations offering peculiar advantages. The subscriber promises always to use the utmost dispatch, care and attention for the interest of those who may please to consign their tobacco to his charge.

NOTICE is hereby given, That I, the subscriber, Teacher and Translator of the French and English Languages, intend to open the FRENCH SCHOOL, in my common dwelling, on the 25th instant; and if 43 years experience, in giving tuition in this line, in different parts of the United States, wit success, are not sufficient to entitle me to a share of encouragement, I beg those promising youths, who have a desire to become scholars, to apply to friend Philip Thomas, at the sign of the golden key, Baltimore-street, where they can be acquainted with my short, yet grammatical manner of Teaching.

AS I can devote some leisure hours in the day time, to the instruction of a few scholars, I should be happy to make an engagement.

Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time. As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint. Dr. W. warrants a cure in all cases. ORPHANS' LOTTERY.

SCHEME of a LOTTERY,

For the Benefit of the Impartial Free School,

For the education of Orphans of every denomination

Table with columns: Prize of, 1 20,000, 1 10,000, 1 5,000, 2 3,000, 4 2,000, 10 1,000, 15 500, 30 200, 150 100, 250 40, 500 20, 1200 20, 4350 12, 20,000. Also: 6686 Prizes, 13514 Blanks, 20,000 Numbers. The tickets to be sold in Halves, at five dollars each.

The Managers respectfully solicit the aid of the public to accomplish the object of the above Lottery—Considerable exertions for several years having been already made by an association of ladies, for the education of poor orphans; of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.

The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax... The Managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of adventure, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.

The managers have given bond for the faithful performance of their trust. Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12 1-2 per cent.—if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.
