

CRUDEN'S CONCORDANCE.

PROPOSALS
By Kimber, Conrad & Co.
For Publishing by Subscription that Valuable
Work, entitled "A
COMPLETE CONCORDANCE
TO THE
Holy Scriptures
OF THE
OLD & NEW TESTAMENT;
OR A
DICTIONARY & ALPHABETICAL INDEX
TO THIS BIBLE.

Very useful to all Christians who seriously read
and study the inspired writings. In two
parts—containing:
I. The appellative or common words, in so full
and large a manner, that any word may be readily
found by looking for any material word in it.
In this part the various significations of the
principal words are given, by which the true
meaning of many passages of Scripture is shown
—an account of several Jewish customs and cere-
monies is also added, which may serve to illu-
minate many parts of Scripture.

II. Proper names in the Scriptures—To this
part is prefixed a table, containing the significa-
tions of words in the original languages from
which they are derived.

To which is added,
A CONCORDANCE TO THE BOOKS CALLED
APOCRYPHA.

The whole digested in an easy and regular
method; which, together with the various sig-
nifications and other improvements now added,
renders it more useful in any book of the kind
hitherto published.

By ALEXANDER CRUDEN, A M.
This excellent work having gone through five
editions in England, and never yet been printed
in America, the publishers are induced to be-
lieve, that among the numerous advocates for
the reading and study of these invaluable writ-
ings, within the compass of the United States,
they will meet with sufficient encouragement to
warrant their undertaking so large a work.

They have accordingly made arrangements for
printing it to press early the present year; and
as they rely upon the patronage of the readers
of the Holy Scriptures, the utmost attention
shall be given to furnish them with as correct
and handsome an index to the Bible, as the best
London copy.

CONDITIONS.
This work will be printed in one quarto vol-
ume containing upwards of 1000 pages, on a
fine wove paper, and a beautiful, new, Ameri-
can type.

It will be delivered to subscribers, bound in
calf, at 10 dollars; well bound in sheep 9 dolls.

ded to the work.

NOTICE

To the Owners and Planters of Tobacco,
throughout the State of Maryland,
Virginia and elsewhere.

UNDER the late law of the General Assem-
bly of Maryland, a large, spacious and
convenient Fire-proof Warehouse, built on the
end of the centre Market space and Frederick-
street dock is now ready for the reception, pack-
ing and inspection of Tobacco. It is presumed
that the great and many advantages attached to
this Warehouse, both from its central situation
in the city of Baltimore, not being more than 300
yards from the Custom House of the United
States—the little danger from fire, and its easy
and immediate accessibility by water, without
any charge for wharfage, will deserve and claim
the attention of all persons interested. It is
very convenient and neat for the merchants who
principally buy and deal in Tobacco—always to
be approached by the largest craft, bay and coast,
with sufficient navigation for all vessels employ-
ed in the exportation of this article, not draw-
ing more than twelve feet water. Its exemp-
tion from risk by fire, and from wharfage, are
also considerations offering peculiar advantages.
The subscriber promises always to use the ut-
most dispatch, care and attention for the inter-
est of those who may please to consign their
tobacco to his charge.

French Night School—
Ecole Francaise.

NOTICE is hereby given, That I, the sub-
scriber, Teacher and Translator of the
French and English Languages, intend to open
the French School, in my common dwelling,
on the continent; and if 43 years experience,
in giving tuition in this line, in different parts
of the United States, will success, are not suf-
ficient to entitle me to a share of encouragement,
I beg those promising youths, who have a de-
sire to become scholars, to apply to friend Phil-
lip Thomas, at the sign of the golden key, Bal-
timore-street, where they can be acquainted
with my sheet, yet grammatical manner of
Teaching.

AS I can devote some leisure hours in the
day time, to the instruction of a few scholars,
I should be happy to make an engagement.

VENEREAL COMPLAINT.

A Dr. WARDER'S practice has been
very extensive both in public and pri-
vate, daily experience convinces him of the
propriety of his method of removing the
venereal disease, in preference to any medicine
whatsoever known to Physicians. He has re-
moved the most obstinate cases with care and
dispatch, after the failure of such of the best
Physicians both in Europe and America. Com-
plaints of the venereal disease, and venereal
Ulcers, from various causes, and accidents,
removed in the shortest possible space of time.
As there are persons from various causes
who are unable to apply to any Physician,
to whom they may be relieved from a
description of their complaint.

The above Lottery is intended to raise a sum

tion heretofore obtained, for building the second

It is expected the drawing will commence the
first week in September, or sooner, if a suffi-
cient number of tickets are disposed of. All

ORPHANS' LOTTERY.
SCHEME OF A LOTTERY,
For the Benefit of the
Impartial Free School.

Table with 2 columns: Prize amount and Number of prizes. Includes 1st Prize of 20,000, 2nd Prize of 10,000, etc.

6686 Prizes. Dolls. 200,000
13314 Blanks.
20,000 Numbers.
Not two Blanks to a Prize.
The tickets to be sold in halves, at five dol-
lars each.
The Managers respectfully solicit the aid of
the public to accomplish the object of the above
Lottery—Considerable exertions for several
years having been already made by an associa-
tion of ladies, for the education of poor orphans
of all denominations—Teachers in every part of
the city have been paid quarterly for the school-
ing of children, and in some instances assisted
with necessary clothes, from the precarious re-
sources of subscriptions, public and private do-
nations, charity sermons, &c.
The legislature of Maryland have been pleas-
ed to grant a lottery to raise a fund upon more
stable and permanent principles, for the support
of this institution; and the mayor and city
council, in sanctioning it by an ordinance, have
also given a very honorable testimony of their
good wishes, by relinquishing the customary tax
...The Managers therefore confidently hope,
that the above scheme, as well from the bene-
volence of its intention, as the principle of ad-
venture, will be inviting to every citizen, in this
or any other part of the United States. Ad-
venturers in this lottery, while they feel a
conscientious and consoling reflection of having
thereby contributed their mite to the permanent
establishment of a Free School, for the educa-
tion of poor children, male and female, of every
denomination; will also in a pecuniary point of
view, experience advantages superior to any
other scheme heretofore offered.

For the convenience of purchasers, the man-
agers have thought proper to strike off the tick-
ets in halves, leaving it optional with the pur-
chaser to take the whole or half ticket.
The managers have given bond for the faithful
performance of their trust.
Sixty days after the drawing is finished the
prizes will be paid, subject to a deduction of
12 1/2 per cent.—if not demanded within 12
months after the drawing is finished, they will
be considered as relinquished for the orphans.

For the satisfaction of the public, it may
not be unnecessary to inform them, that the
Managers have given bond to the State of Mary-
land in the sum of 20,000 dollars, for the
due performance of their trust.

THE Managers of this Lottery flatter them-
selves, from the elevated and healthy situation
chosen by the Commissioners appointed, for
erecting the Market-house, that it will be of
the greatest utility and advantage, to that part
of the city, and to the country in general; and
beg leave to recommend it as an object worthy
of their encouragement.

As the above Scheme offers every possible
encouragement to adventurers, from the many
valuable Prizes it contains, and there being
considerably less than two Blanks to a Prize,
and all Prizes payable in 60 days after the draw-
ing of the Lottery is completed, without any
deduction, the Managers entertain the greatest
hopes of such a speedy sale of the Tickets, as
may enable them to commence drawing without
loss of time.
Such Prizes as shall not be demanded within
six months after the drawing is finished, will be
considered as relinquished for the benefit of the
Market-house.

For the satisfaction of the public, it may
not be unnecessary to inform them, that the
