

CRUDEN'S CONCORDANCE.

PROPOSALS By Kimber, Conrad & Co. For Publishing that Valuable Work, entitled A COMPLETE CONCORDANCE TO THE Holy Scriptures OF THE OLD & NEW TESTAMENT;

DICTIONARY & ALPHABETICAL INDEX TO THE BIBLE. Very useful to all Christians who seriously read and study the inspired writings in two parts—containing,

1. The appellative or common words, in so full and large a manner, that any verse may be readily found by looking for any material word in it.

2. The various significations of the principal words are given, by which the true meaning of many passages of Scripture is shown.

3. An account of several Jewish customs and ceremonies is also added, which may serve to illustrate many parts of Scripture.

4. Proper names in the Scriptures.—To this part is prefixed a table, containing the significations of words in the original languages from which they were derived.

5. To which is added, A CONCORDANCE TO THE BOOKS CALLED APOCRYPHA.

The whole digested in an easy and regular method; which, together with the various signs, citations and other improvements now added, renders it more useful than any book of the kind hitherto published.

By ALEXANDER CRUDEN, A. M. This excellent work having gone through five editions in England, and never yet been printed in America, the publishers are induced to believe, that among the numerous advocates for the reading and study of these invaluable writings, within the compass of the United States, they will meet with sufficient encouragement to warrant their undertaking so large a work.

They have accordingly made arrangements for putting it to press early the present year; and as they rely upon the patronage of the readers of the Holy Scriptures, the utmost attention shall be given to furnish them with as correct and handsome an index to the Bible, as the best London copy.

CONDITIONS. This work will be printed in one quarto volume containing upwards of 1000 pages, on a fine wove paper, and a beautiful, new, American type.

It will be delivered to subscribers, bound in calf, at 10 dollars; well bound in sheep 9 dollars 50 cents; and in boards at 8 dollars 50 cents, and no money required till the completion of the work.

Subscriptions are received in Philadelphia, by the publishers—in Baltimore, by messrs. Vincent & Peter Bausal, Samuel Butler, James Rice & Co. M. & J. Conrad & Co. John Hager, George Hill, Warner & Hanna, and Jack Proctor, and by all the principal booksellers throughout the United States.

Those who subscribe for ten copies, or obtain ten subscribers, and become answerable for the payment, shall be entitled to one copy gratis.

M. H. A list of subscribers names will be added to the work.

NOTICE

To the Owners and Planters of Tobacco, throughout the State of Maryland, Virginia and elsewhere.

UNDER a late law of the General Assembly of Maryland, a large, spacious and commodious Fire-proof Warehouse, built on the end of the centre Market space and Frederick-street dock, is now ready for the reception, packing and inspection of Tobacco. It is presumed that the great and many advantages attached to this Warehouse, both from its central situation in the city of Baltimore, not being more than 300 yards from the Custom House of the United States—the little danger from fire, and its easy, and immediate accessibility by water, without any charge for wharfe, will deserve and claim the attention of all persons interested. It is very convenient and near to the merchants who principally buy and deal in Tobacco—always to be approached by the largest craft, bay and coast, with sufficient navigation for all vessels employed in the exportation of this article, not drawing more than twelve feet water. Its exemption from risk by fire, and from wharfe, are also considerable and offering peculiar advantages. The subscribers promise always to use the utmost dispatch, care and attention for the interest of those who may please to consign their tobacco to his charge.

20,000 Numbers.

Not two Blanks to a Prize.

The tickets to be sold in Halves, at five dollars each.

The Managers respectfully solicit the aid of the public to accomplish the object of the above Lottery—Considerable exertions for several years having been already made by an association of ladies, for the education of poor orphans of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.

The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax...

The Managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of adventure, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consistent reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination, will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.

The managers have given bond for the faithful performance of their trust.

Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12 1/2 per cent.—if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.

The Freeman's Journal,

FOR THE COUNTRY.

IN consequence of repeated applications from different parts of the Union, the editor of the Freeman's Journal has been induced to make arrangements for printing a gazette three times in the week, to be entitled The Freeman's Journal for the Country. It will commence on the 20th February next, on a super-royal paper, at five dollars per annum payable in advance. It will contain the whole of the original matter, and the intelligence which appears in the daily Journal, together with the new advertisements.

The advantages resulting from a newspaper of this description, to persons residing at a distance, will be many; for besides containing all the news which is in the daily paper, the price is moderate, and the postage is reduced to one half.

Gentlemen wishing to become subscribers, by forwarding a five dollar bank note, and their decision, will have the Freeman's Journal for the Country, sent on to them from the 20th next February. No. 21, Walnut-street, Philadelphia.

THE Managers of this Lottery have themselves, from the elevated and healthy situation chosen by the Commissioners appointed for building the Market-House, that it will be of the greatest utility and advantage to that part of the city, and to the country in general, and be left to recommend it as an object worthy of their encouragement.

As the above Scheme offers every possible encouragement to adventurers, then the many valuable Prizes it contains, and there being considerably less than two Blanks to a Prize, and all Prizes payable in 60 days after the drawing of the Lottery is completed without any deduction, the Managers entertain the greatest hopes of such a speedy sale of the tickets, as may enable them to commence the work without loss of time.

Such Prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the Market-House.

For the satisfaction of the public, it may not be unnecessary to inform them, that the Managers have given bond to the State of Maryland in the sum of 50,000 dollars, for the due performance of the trust.
