For Publishing by Subscribers that Valuable
Work, entitled A

COMPLETE CONCORDANCE

TO THE

Holy Scriptures

OF THE

OLD & NEW TESTAMENT;

OR A

DICTIONARY & ALPHABETICAL INDEX

TO THE BIBLE.

Very useful to all Christians who seriously read

and study the inspired writings. In two

parts—containing,

I. The appellative or common words, in so full and large a manner, that any verse may be readily found by looking for any material word in it.

In this part the various significations of the principal words are given, by which the true meaning of many passages of Scripture is shown—an account of several Jewish customs and ceremonies is also added, which may serve to illustrate many parts of Scripture.

II. Proper names in the Scriptures.—To this part is prefixed a table, containing the significations of words in the original languages from which they are derived.

To which is added,

A CONCORDANCE TO THE BOOKS CALLED

4 POCHYPA.

The whole digested in an easy and regular method; which, together with the various significations and other improvements now added, renders it more useful than any book of the kind hitherto published.

BY ALEXANDER CRUDEN, A. M.

This excellent work having gone through five editions in England, and never yet been printed in America, the publishers are induced to believe, that among the numerous advocates for the reading and study of those invaluable writings, within the compass of the United States, they will meet with sufficient encouragement to warrant their undertaking so large a work.

They have accordingly made arrangements for putting it to press early the present year; and as they rely upon the patronage of the readers of the Holy Scriptures, the utmost attention shall be given to furnish them with as correct and handsome an index to the Bible, as the best London copy.

It will be delivered to subscribers, bound in calf, at 10 dollars; well bound in sheep 9 dollars, 50 cents; and in boards at 8 dollars 50 cents, and no money required till the completion of the work.

French Night School—

Ecole Francaise.

NOTICE is hereby given, That I, the subscriber, Teacher and Translator of the French and English Languages, intend to open the Fairfax School, in my common dwelling, on the 26th instant; and if 45 years experience in giving tuition in this line, in different parts of the United States, wit. success, are not sufficient to entitle me to a share of encouragement; I beg those promising youths, who have a desire to become scholars, to apply to friend Philip Thomas, at the sign of the golden key, Baltimore-street, where they can be acquainted with my short, yet grammatical manner of teaching.

AS I can devote some leisure hours in the time, to the instruction of a few scholars, I should be happy to make an engagement.
