

CAUDEN'S CONCORDANCE
PROPOSALS
 By **Kimber, Conrail & Co.**
 Publishing by Subscription that Valuable
 Work, entitled **A**
COMPLETE CONCORDANCE
 TO THE
Holy Scriptures
 OF THE
OLD & NEW TESTAMENT;
 OR A
DICTIONARY & ALPHABETICAL INDEX
 TO THE BIBLE.
 Very useful to all Christians who seriously read
 and study the inspired writings. In two
 parts—containing
 I. The appellative or common words, in so full
 and large a manner, that any verse may be readily
 found by looking for any material word in it.
 In this part the various significations of the
 principal words are given, by which the true
 meaning of many passages of Scripture is shown.
 An account of several Jewish customs and cere-
 monies is also added, which may serve to il-
 lustrate many parts of Scripture.
 II. Proper names in the Scriptures.—To this
 part is prefixed a table, containing the significa-
 tions of words in the original languages from
 which they are derived.
 To which is added,
 A CONCORDANCE TO THE BOOKS CALLED
APOCRYPHA.
 The whole digested in an easy and regular
 method; which, together with the various sig-
 nifications and other improvements now added,
 renders it more useful than any book of the kind
 hitherto published.
 By **ALEXANDER CHUDEN, A. M.**
 This excellent work having gone through five
 editions in England, and never yet been printed
 in America, the publishers are induced to be-
 lieve, that among the numerous advocates for
 the reading and study of those invaluable writ-
 ings, within the compass of the United States,
 they will meet with sufficient encouragement to
 warrant their undertaking so large a work.—
 They have accordingly made arrangements for
 putting it to press early the present year; and
 as they rely upon the patronage of the readers
 of the Holy Scriptures, the utmost attention
 shall be given to furnish them with as correct
 and handsome an index to the Bible, as the best
 London copy.

French Night School—
Ecole Françoise.
 NOTICE is hereby given, That I, the sub-
 scriber, Teacher and Translator of the
French and English Languages, intend to open
 the **Francois Semoir**, in my common dwelling,
 on the 26th instant; and if 45 years experience,
 in giving tuition in this language, in different parts
 of the United States, will success, are not suf-
 ficient to entitle me to a share of encouragement,
 I beg those promising youths, who have a de-
 sire to become scholars, to apply to friend Phi-
 lip Thomas, at the sign of the golden key, Bal-
 timore-street, where they can be acquainted
 with my short, yet grammatical manner of
 teaching.
 AS I can devote some leisure hours in the
 day time, to the instruction of a few scholars,
 I should be happy to make an engagement.

VENEREAL COMPLAINTS
 A. Dr. WARNER'S practice has been
 very extensive both in public and pri-
 vate, daily experience convinces him of the
 efficacy of his method of removing the
 venereal disease, in preference to any medicine
 used or known in Baltimore. He has re-
 moved the most desperate cases with care and
 dispatch, after the failure of some of the ablest
 physicians both in Europe and America. Compli-
 cations of the venereal poisons, and debility
 thereof, from various causes and accidents,
 removed in the shortest possible space of time.
 As there are persons from various causes
 who are unable to apply, it may be necessary
 to inform them, they may be relieved from a
 description of their complaint.
 Dr. W. examines a cure in all cases. Masters
 of vessels and travellers may have their medi-
 cines prepared that a safe, discreet and in-
 expensive cure may be effected, without the
 least restriction in diet or diet.
 N. B. Dr. Warner has removed from
 South-street, to Chesapeake-street, No. 64,
 where he will continue to practice.

 The Managers respectfully solicit the aid of
 the public to accomplish the object of the above
 Lottery.—Considerable exertions for several
 years having been already made by an associa-
 tion of ladies, for the education of poor orphans
 of all denominations.—Teachers in every part
 of the city have been paid quarterly for the school-
 ing of children, and in some instances assisted
 with necessary clothes, from the precarious re-
 sources of subscriptions, public and private dona-
 tions, charity sermons, &c.
 The legislature of Maryland has been pleas-
 ed to grant a lottery to raise a fund upon more
 stable and permanent principles, for the support
 of this institution; and the mayor and city
 council, in sanctioning it by an ordinance, have
 also given a very honorable testimony of their
 good wishes, by relinquishing the customary tax
 on the above scheme, as well from the bene-
 volence of its intention, as the principle of ad-
 vantage, will be inviting to every citizen, in this
 or any other part of the United States. Ad-
 venturers in this lottery, while they feel a
 conscientious and laudable reflection of having
 thereby contributed their mite to the permanent
 establishment of a Free School, for the educa-
 tion of poor children, male and female, of every
 denomination, will also in a pecuniary point of
 view, experience advantages superior to any
 other scheme heretofore offered.
 For the convenience of purchasers, the man-
 agers have thought proper to strike off the tick-
 ets in halves, leaving it optional with the pur-
 chaser to take the whole or half ticket.
 The managers have given bond for the faithful
 performance of their trust.
 Sixty days after the drawing is finished the
 prizes will be paid subject to a deduction of

100 Dollars Reward.
RAN away from the subscriber, last March
 was twelve months, a negro man named **RO-
 BERT**, but generally called **Bob**—he is about
 30 years of age, 6 feet high, of a yellowish com-
 plexion, with a large scar on his forehead, from a
 burn, with remarkable small teeth and thin lips, but
 very large feet; uncommon thick lips, a good
 set of teeth, & a large head—he passed as a free
 negro manumitted by the Hunt's; he was living
 near Baltimore for near 9 months past, with a
 free mulatto woman as his wife—they have
 both moved of late down the neck in the wood
 cutting, but supposed if gone further, to be in
 the Wood-cutting near Joppa. It is likely he
 will be in Town or at the Point in the holidays
 to see his acquaintances. No doubt is entertained
 but what he has a forged pass. Whoever
 will take up the said runaway, and lodge him
 in any goal, so that I get him again, shall re-
 ceive the above reward.
