VENEREAL COMPLAINTS
AS Dr. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vendid or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.
As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.
Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.
N. B. Dr. Warner has removed from Bond-street, to Cumberland Row, No. 64, below the Marsh-market.

CRUDEN'S CONCORDANCE.
PROPOSALS
By Kimber, Conrad & Co.
For Publishing by Subscription that Valuable Work, entitled A
COMPLETE CONCORDANCE
TO THE
Holy Scriptures
OF THE
OLD & NEW TESTAMENT;
OR A
DICTIONARY & ALPHABETICAL INDEX
TO THE BIBLE.
Very useful to all christians who seriously read and study the inspired writings. In two parts—containing,
I. The appellative or common words, in so full and large a manner, that any verse may be readily found by looking for any material word in it.
In this part the various significations of the principal words are given, by which the true meaning of many passages of Scripture is shown—an account of several Jewish customs and ceremonies is also added, which may serve to illustrate many parts of Scripture.
II. Proper names in the Scriptures—To this part is prefixed a table, containing the significations of words in the original languages from which they are derived.
To which is added,
A CONCORDANCE TO THE BOOKS CALLED APOCRYPHA.
The whole, digested in an easy and regular method; which, together with the various significations and other improvements now added, renders it more useful than any book of the kind hitherto published.
By ALEXANDER CRUDEN, A. M.
This excellent work having gone through five editions in England, and never yet been printed in America, the publishers are induced to believe, that among the numerous advocates for the reading and study of those invaluable writings, within the compass of the United States, they will meet with sufficient encouragement to warrant their undertaking so large a work.—They have accordingly made arrangements for putting it to press early the present year; and as they rely upon the patronage of the readers of the Holy Scriptures, the utmost attention shall be given to furnish them with as correct and handsome an index to the Bible, as the best London copy.
