She has been seen frequently skulking about the Point, but as she has relations in Harford county, it is likely she has gone there, as she has been brought from thence to Baltimore several times, when she had run away. VENEREAL COMPLAINTS

AS Dr. **WARNER'S** practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vendible or known in Baltimore. The Managers respectfully solicit the aid of the public to accomplish the object of the above Lottery—Considerable exertions for several years have been already made by an association of ladies, for the education of poor orphans of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.

The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax on the Managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of adventure, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.

The managers have given bond for the faithful performance of their trust.

Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12 1/2 per cent.—if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.

Worthy of the Attention of Emigrants from Europe, and of their Friends.

AN original proprietor of Forty Thousand acres, in two large tracts, (though in several patents) all adjoining—25,000 acres of which are situated in Ohio county, and state of Virginia, lying and being on Fishing creek near to the Ohio river; and 15,000 acres lying and being on Hugh's river, in Harrison county, contiguous to the other tract. They are not more than about 40 miles from Wheeling, the county town; about 300 miles from Baltimore and Washington cities.

They were taken up in the year 1785, under the direction and superintendance of the Rev'd. William Wirt, who purchased the Sections, with the guarantee and warranty of the surveyor of the county, against the claims of all persons who were, or may be patented by the government and state of Virginia, in 1785. The character of these lands is as follows, viz:

They are well watered, and timbered with the different kind of oak, hickory, ash, maple, &c. &c. & the underwood is very good, consisting of spicewood, peevine, &c. There are a number of good and valuable mill seats—many fine rich bottom for meadow, and a number of rich and sharp hills, suitable for vines and vineyards.—They are very well adapted to the culture of vines—having extensive south fronts, and an amazing richness of soil.

Jeremiah Williams, Esqr. surveyor, (now living near the mouth of Fishing creek, and in the hands thereof) will, on application, show the lands to any person desirous to see, or to be put in possession of them.

They will be sold, whole or in part, extremely cheap, and on easy liberal and generous terms, with clear title, and free from any encumbrance whatever.
