**VENEREAL COMPLAINTS**

AS DR. WALKER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine or known in Baltimore. He has removed the most desperate cases with ease and dispatch, after the failure of some of the celebrated physicians both in Europe and America. Complaints of the urinary passages and disability thereof, from various causes, and accidents removed in the shortest possible space of time.

As there are persons from various causes cannot personally apply, it may be necessary to inform them they may be relieved from a description of their complaint.

Dr. W. warrants a cure in all cases. Medicines of vessels and travellers may have the medicines to prepare the vessels, practical and experienced cure may be selected, without the least restriction in diet or diet.

N. B. Dr. Walker has removed from Bond street, to Cumberland Row, No. 54, below the Marsh-mart.

 TO THE BIBLE.

Very useful to all christians who seriously read and study the inspired writings. In two parts—containing:

I. The appellative or common words, in so full and large a manner, that any verse may be readily found by looking for any material word in it.

II. The principal words are given, by which the true meaning of many passages of Scripture is shown—an account of several Jewish customs and ceremonies is also added, which may serve to illustrate many parts of Scripture.

III. Proper names in the Scriptures—To this part is prefixed a table, containing the significations of words in the original languages from which they are derived.

IV. Which is a table,  
 A CONCORDANCE TO THE BOOKS CALLED APOCRYPHA.

The whole digested in an easy and regular method; which, together with the various significations and other improvements now added, renders it more useful than any book of the kind hitherto published.

They have accordingly made arrangements for putting it to press early the present year; and as they rely upon the patronage of the readers of the Holy Scriptures, the utmost attention shall be given to furnish them with as correct and handsome an index to the Bible, as the best London copy.

**Scheme**

The above Lottery is intended to raise a sum of money, in addition to the liberal subscription heretofore obtained, for building the second Presbyterian Church in this city.

The leading purpose to which this money is to be applied, together with the advantages in a pecuniary view, which must appear obvious to adventurers, cannot fail to produce a ready sale of the tickets.

It is expedient the drawing will commence the first week in September, or sooner, if a sufficient number of tickets are disposed of. All Prizes in this Lottery will be paid, without deduction, in sixty days after the drawing is completed—Prizes not demanded within twelve months after the drawing is finished, will be considered as generously relinquished for the benefit of the church.

The tickets to be sold in halves, at five dollars each.

The Managers respectfully solicit the aid of the public to accomplish the object of the above Lottery—Considerable exertions for several years having been already made by an association of ladies, for the education of poor orphans of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.

The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax on the Lottery. The Managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of advantage, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.

The Managers have given bond for the faithful performance of their trust.

Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12 1/2 per cent.—if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.

RAN away from the subscriber, last March was twelve months, a negro man named ROBERT, but generally called Bob—he is about 30 years of age, 6 feet high, of a yellowish complexion, with a large scar on his instep, from a burn, with remarkable small legs and thighs but very large feet; uncommon thick lips, a good set of teeth, & a large head—he passed as a free negro manumitted by the Hunt's; he was living near Baltimore for near 9 months past, with a free mulatto woman as his wife—they have both moved of late down the neck in the wood-cutting, but supposed if gone further, to be in the Wood-cutting near Jopon. It is likely he will be in Town or at the Point in the holidays to see his acquaintances. No doubt is entertained but what he has a forged pass. Whoever will take up the said runaway, and lodge him in any goal, so that I get him again, shall receive the above reward.

RAN away from the subscriber on the 23d of February last a Negro lad named JIM, 19 years of age, 5 feet 6 or 7 inches high, square built, black brown complexion, a small scar under one of his eyes and had one on each cheek, the white of his eyes are mixed with a yellowish red, and a good countenance; he has a hurt in one of his legs, which is not perceivable unless he walks back. His dress when he went away was a blue braize outside jacket lined with green, longer than common—a blue inside ditto half worn, a grey farnight pair of breeches, a coarse shirt, white yarn stockings and two pair of shoes. He is an artful villain and will change both name and dress, and will endeavor through the means of his father who lives on Fell's Point) to pass for a free man and no doubt will enter on board some vessel as such. This is the 5th time he has run off—He ran away the 3d of January 1851, and was caught in York county, Pennsylvania, and lodged in Little York jail. If he is taken up in Maryland I will pay fifty dollars and reasonable expenses if brought and delivered to me—if in any other state the above reward, and all reasonable expenses on his being delivered to

15,000 tickets, at 5 dollars each, = 75,000

THE Managers of this Lottery flatter themselves, from the elevated and healthy situation chosen by the Commissioners appointed for erecting the Market-house, that it will be of the greatest utility and advantage, to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.

As the above Scheme offers every possible encouragement to adventurers, from the many valuable Prizes it contains, and there being considerably less than two Blanks to a Prize, and all Prizes payable in 60 days after the drawing of the Lottery is completed without any deduction, the Managers entertain the greatest hopes of such a speedy sale of the Tickets, as may enable them to commence drawing without loss of time.

Such Prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the Market-house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the Managers have given bond to the State of Maryland in the sum of 30,000 dollars, for the due performance of the trust.

**KRNEZER FINLEY,**  
**DANIEL LAMMOT,**  
**JOHN KENNEDY,**

Tickets may be had of the above Managers. Also of Messrs. John Schultz, M. J. Conrad & Co., George Hill, and James Rice.

And by such other persons as may be hereafter appointed.
