Ten Dollars Reward.

RAN away from the subscriber, living on Fell's Point, the 25th December last, a Negro woman, named ROSE, about 30 years of age, 5 feet 7 or 8 inches high, thick lips, and a down look when spoken to. Took with her the following clothing-a new coarse linen shift, a new scarlet flannel petticost, a new blue cloth outside ditto, a mottled calico gown, without an apron; a blue and white cross barred cotton handkerchief, a pair of grey yarn stockings, a pair of men's shoes, and a small round brown hat. She has been seen frequently skulking about the Point, but as she has relations in Harford county, it is likely she has gone there, as she has been brought from thence to Baltimore several times, when she had run-away. Whoever brings her home, or secures her in any jail,

Desence of Simon Wilmer.

" Curst Circs, short borzs, great Jove bas wisely Lest they may burt the chosen ones of Heaven."

ADVERTISEMENT,

I sincerely regret that my finances are so far below par at present, that I cannot defray the expences of my pamphlet of defence, against the malicious charges which have obloqu zed my character for several months past; and I must therefore bear the mortification of offering it for sale.

It is to be recolleded, my friends and fellowcitizen, that the style is dicated by feelings without a cri-ical reference to orthography, and as; it has been composed no faster than the printers have furnished me with proof sheets. I hope to escape unfriendly remarks. The manuscript, pamphlet I have so long promised for public ptrusal, is entirely superceded by this' which contains fact and misfortune-that was composed merely to gratify the spleen of the moment!

And I now presume to recommend my volume of painful events to the husband who loves his wife, and then let him contrast happiness with

To the father who has sons maturing to manhood, in order to fertify the expanding mind against the shifts and hypocricy of great ittle mankind.

To the religious, whose piety is at war with the snares of Satan. To the merchant, whose negociations for the

convenience of friendsbip subject him to the sus picion of forgery To the mechanic, whose labors are unreward ed, by the frozen put of call again."

To the shaver who extorts usury in violation of divine and human laws. And lastly, to my brother victims to shavery in order to know that Moseses have got the monies, but that law was favorable to the christian' distress.

The public's obedient servant, SIMON WILMER. P. S. If my language against any of my per-

secutors is considered rash by my readers, I must invite them to embrace those feelings, which have naturally resulted from the most painful scenes, that persocution ever createdia. gainst's fellow man. rebrusty 16
