A LARGE BODY OF Excellent Lands for Sale, worthy of the attention of Emigrants from Europe, and of their friends.

Original proprietor of Forty Thousand acres, in two large tracts, (though in several patents) all adjoining—25,000 acres of which are situated in Ohio county, and state of Virginia, lying and being on fishing creek near to the Ohio river; and 15,000 acres lying and being on Hughes's river, in Harrison county, contiguous to the other tract. They are not more than about 40 miles from Wheeling, the county town; and about 200 miles from Baltimore and Washington cities.

They were taken up in the year 1785, under the direction and superintendance of the Rev'd William Worth, who purchased the locations, with the guarantee and warrant of the surveyors of the county, against the claims of all persons whatever. They were patented by the governor and state of Virginia, in 1766. The character given of these lands by the gentleman who took them up, is as follows, viz:

That they are well watered, and timbered with the different kind of oaks, hickory, ash, maple, walnut, sugar tree, &c. and the underwood abounds with ginger, spikenard, spice-wood, &c. There are a number of good and valuable mill seats—many fine rich bottom for meadow, and a number of rich and sharp hills, suitable for vines and vineyards. They are by nature well adapted to the culture of vines—having extensive south fronts, and an amazing rich soil.

Jeremiah Williams, Esq. surveyor, (now living near the mouth of Fishing creek, and on the banks thereof) will, on application, shew the lands to any person desirous to see, or to be put possession of them.

They will be sold, whole or in part, extremely cheap, and on easy liberal and generous terms, with clear title, and free from any incumbrance whatever.

Seventy five thousand acres of choice cotton lands, in single thousand acre patents, all adjoining, in the state of Georgia.

Twenty thousand acres, by single thousand acre patents, in one body, in the state of South Carolina.

French Night School—Ecole Francaise. NOTICE is hereby given, That I, the subscriber, Teacher and Translator of the French and English Languages, intend to open the French Night School, in my common dwelling, on the 26th instant; and if 43 years experience, in giving tuition in this line, in different parts of the United States, wit success, are not sufficient to entitle me to a share of encouragement, I beg those promising youths, who have a desire to become scholars, to apply to friend Philip Thomas, at the sign of the golden key, Baltimore-street, where they can be acquainted with my short, yet grammatical manner of Teaching.

As I can devote some leisure hours in the day time, to the instruction of a few scholars, I should be happy to make an engagement. JOSEPH FAULOTTE, South Charles-street. October 26.

VENEREAL COMPLAINTS. A Dr. WARNER's practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine used or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest Physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.

As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint. Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicine prepared that a safe, effectual and expeditious cure may be effected, without the least restriction in diet.

To the Voters Of the City and County of Baltimore. THE subscriber having been appointed Clerk of the Court of Oyer and Terminer and Goal Delivery, for Baltimore county begs leave to make his most grateful acknowledgments to his friends in particular, and the voters of Baltimore county in general, for their friendship manifested towards him whilst he was a candidate for the office of Sheriff; and informs them that in consequence of said appointment, he has declined offering as a candidate for the next Sheriff's office, but anticipates the pleasure of being serviceable to them in a different department. He remains, with the greatest regard and esteem, Their obedient servant, Wm. S. SUMMERS. February 16

To the Voters Of the City and County of Baltimore. GENTLEMEN, HENRY TRAPPNALL, at the last Election, was placed on the return by the disinterested approbation of his friends and well-wishers, and acknowledges, with grateful sensibility, the obligation he is under for their liberality and humanity, exerted in his favor; and he again begs leave to offer himself a candidate for the important Office of SHERIFF of Baltimore county, at the next election to be held for that purpose—respectfully soliciting the favor and suffrages of the public generally, and also a continuation of that friendly disposition to be manifested towards him; and he pledges himself, that should he be designated as your choice, he will render that satisfaction compatible with the duties required. February 16

To the Voters of the city and county of Baltimore. HAVING been encouraged by many of my friends in the city and county, to offer myself as a candidate to be put in nomination for the office of SHERIFF, at the ensuing election, I hope it will not be deemed improper thus early to signify my intention, and to solicit the patronage of my friends generally, and the voters of the city and county at large.

Those who have not a personal knowledge of me, will, on enquiry, find that I have been bred to business, and have been conversant in mercantile transactions from early life—Should my fellow-citizens think proper, at the expiration of the time of the present sheriff, to bestow on me the office, I trust my conduct therein will be such as will give satisfaction, if a diligent attention and a faithful discharge of the duties thereof, are capable of doing the same. WILLIAM MERRYMAN, Corner of Baltimore and Frederick-streets. February 16

To the Voters Of the City and County of Baltimore. GENTLEMEN, BEING solicited by many friends, both in the city and county, to offer myself a candidate for the Office of SHERIFF I have taken the liberty of soliciting your suffrages at the ensuing election, as I conceive myself qualified (from long experience as assistant to the present and two preceding sheriffs) to discharge the important duties attached to that office—My engagements will continue to prevent a personal application to each individual, whose approbation I am ambitious to possess; but if correctness, diligence, and every degree of humanity, consistent with the interest due to an indulgent public, are becoming requisites—I hope the want of a personal interview will be no material objection against the Public's humble servant, JOHN HUNTER. February 16

To the Voters Of the City and County of Baltimore. ENCOURAGED by many of my fellow citizens, I am induced to declare myself a candidate for the office of SHERIFF, at the next election for that purpose—And should I be successful, I pledge myself that my best and avowed shall be used to discharge the duties attached to the office, with propriety, humanity and integrity. I am, The public's obt. & humble serv't. ROBERT P. RICHARDSON February 20

Horse Stolen! FORTY DOLLARS REWARD. WAS stolen on Monday night, the 25th instant, out of the subscriber's stable, at his place opposite Mr. George Beam's tavern, on the Reister's town road, a light colored bay HORSE, between 15 and 16 hands high, 7 years old—his hind feet are white up to the foot-lock, and one of them much more than the other; the pasture joint of his right fore foot is considerably thicker than the other; has a white snip on the nose, a long neck, small head, and switch tail, and is a very gay looking horse, and has a good deal of the blood of English blood—acts remarkably fast or slow, and has no other gait. He was mostly used in a waggon, and has every mark of a waggon horse. On the same night the above horse was taken, a saddle and bridle and a blanket was stolen out of Mr. Beam's stable. Whoever takes up said horse and brings him to the subscriber, shall receive 20 dollars, or on delivering the horse and convicting the thief, shall then be entitled to the above reward, paid by GEORGE REINICKER. February 27

100 Dollars Reward. RAN away from the subscriber on the 22d of February last a Negro lad named JIM, 19 years of age, 5 feet 6 or 7 inches high, square built, black brown complexion, a small scar under one of his eyes and had one on each cheek, the white of his eyes are mixed with a yellowish red, and a good countenance; he has a hurt in one of his legs which is not perceivable unless he walks hunched. His dress when he went away was a blue baize outside jacket lined with green, longer than common—a blue inside ditto half worn, a grey fawnhaught pair of breeches, a coarse shirt, white yarn stockings and two pair of shoes. He is an artful villain and will endeavor both name and dress, and will endeavor (through the means of his father who lives on Fell's Point) to pass for a free man and no doubt will enter on board some vessel as such. This is the 5th time he has run off—He ran away the 3d of January 1801, and was caught in York county, Pennsylvania, and lodged in Little York jail. If he is taken up in Maryland I will pay fifty dollars and reasonable expenses if brought and delivered to me—in any other state the above reward, and all reasonable expenses on his being delivered to Wm. STENSON. N. B. All masters of vessels are warned not to take him away. W. S. Law

CRUDEN'S CONCORDANCE. PROPOSALS By Kimber, Conrad & Co. Very useful to all Christians who seriously read and study the inspired writings. In two parts—containing, I. The appellative or common words, in so full and large a manner, that any verse may be readily found by looking for any material word in it. In this part the various significations of the principal words are given, by which the true meaning of many passages of Scripture is shown—an account of several Jewish customs and ceremonies is also added, which may serve to illustrate many parts of Scripture. II. Proper names in the Scriptures—To this part is prefixed a table, containing the significations of words in the original languages from which they are derived. To which is added, A CONCORDANCE TO THE BOOKS CALLED APOCRYPHA. The whole digested in an easy and regular method; which, together with the various significations and other improvements now added, renders it more useful than any book of the kind hitherto published. By ALEXANDER CRUDEN, A. M. This excellent work having gone through five editions in England, and never yet printed in America, the publishers are induced to believe, that among the numerous advocates for the reading and study of those invaluable writings, within the compass of the United States, they will meet with sufficient encouragement to warrant their undertaking so large a work. They have accordingly made arrangements for putting it to press early the present year; and as they rely upon the patronage of the readers of the Holy Scriptures, the utmost attention shall be given to furnish them with as correct and handsome an index to the Bible, as the best London copy. CONDITIONS. This work will be printed in one quarto volume containing upwards of 1000 pages, on a fine wove paper, and a beautiful, new, American type. 20,000 Numbers. Not two Blanks to a Prize. The tickets to be sold in Halves, at five dollars each. The Managers respectfully solicit the aid of the public to accomplish the object of the above Lottery—Considerable exertions for several years having been already made by an association of ladies, for the education of poor orphans of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c. The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax. The Managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of adventure, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered. For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket. The managers have given bond for the faithful performance of their trust. Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12 1-2 per cent.—if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.

It is likely he will be in Town near the Point in the holidays to see his acquaintances. No doubt is entertained but what he has a forged pass. Whoever will take up the said runaway, and lodge him in any goal, so that I get him again, shall receive the above reward. SAM. C. HUNT. Mountpleasant, Baltimore county, December 21 (31)
