I. The appellative or common words, in so full and large a manner, that any verse may be readily found by looking for any material word in it. In this part the various significations of the principal words are given, by which the true meanis g of many passages of Scripture is shown -an account of several Jewish customs and ceremonies is also added, which may serve to il-

To which is added, A CONCORDANCE TO THE BOOKS CALLED APOGRYPHA.

The whole digested in an easy and regular method; which, together with the various significations and other improvements now added, renders it more useful than any book of the kind hitherto published.

The Managers respectfully eclicit the aid of the public to accomplish the object of the above Lottery-Considerable exertions for several years having been already made by an association of ladies, for the education of poor orphans of all denominations-Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private do-

nations, charity sermons, &c. The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sandioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax ... The Managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of ad venture, will be inviting to every citizen, in this or any other part of the United States. Ad. venturers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.

The managers have given bond for the faithful performance of their trust. Sixty days after the drawing is finished the

prizes will be paid, subject to a deduction of 12 1-2 per cent.-if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans. Joun Coulten, 39, Market et. F. Point. E Joshua Inlous, 69, Bond-street, F. Point.
