

Any person having 4000 Dollars to loan, may be accommodated with an interest of 8 per cent, locally secured, on some of the best property in the city, insured and clear of every incumbrance.

District of Maryland, to wit.

RE it remembered, that on the ninth day of February, in the 29th year of the independence of the United States of America, Samuel Butler of the one part, and Messrs. Pechin & Frisley of the other part, of the said district, have deposited in this office, the title of a book, the right whereof they claim as proprietors, in the words following, to wit: "History of the Civil War in Ireland, containing an impartial account of the proceedings of the Irish revolutionists, from the year 1782, until the suppression of the intended Revolution; to which is prefixed a Geographical and Historical account of Ireland, by the Rev. James Gordon, with copious additions and corrections, from various authors upon this subject, particularly prepared for the use of the Congress of the United States, entitled, 'An act for the encouragement of learning, by securing the copies of maps, charts and books, to the authors or proprietors of such copies, during the times therein mentioned.'"

Falls Turnpike Road.

THE subscribers being appointed to receive subscriptions under the act of Assembly, for incorporating a company for making a turnpike road, from the city of Baltimore to the Crags Roads, by the line of Richard Caton, nearly in the direct line of Jones's falls, do hereby give notice, that the subscription book will be opened at the office of the Maryland Insurance Company, on Wednesday the 13th day of March next from the hour of nine until one, and will continue open, during the same hours, the two following days, unless the said capital stock, limited to three hundred shares, of one hundred dollars each, should be earlier subscribed for. Not more than three shares can be subscribed for, by any one person on the first day, nor more than six shares on the second day, and every person on subscribing, must pay down five dollars, on each share subscribed.

Ten Dollars Reward.

RAN away from the subscriber, living on Fell's Point, the 25th December last, a Negro woman, named ROSE, about 30 years of age, 5 feet 7 or 8 inches high, thick lips, and a down look when spoken to. Took with her the following clothing:—a new coarse linen shift, a new scarlet flannel petticoat, a new blue cloth outside dress, a mottled calico gown, without an apron; a blue and white cross-barred cotton handkerchief, a pair of grey yarn stockings, a pair of men's shoes, and a small round brown hat. She has been seen frequently skulking about the Point, but as she has relations in Harford county, it is likely she has gone there, as she has been brought from thence to Baltimore several times, when she had run away. Whoever brings her home, or secures her in any jail, so that I get her again, shall receive the above reward, and all reasonable charges paid.

Underwriters, Merchants, &c.

THE subscriber, proprietor of the Royal Gazette and Rabana Advertiser, published at Nassau, has been and purposes to continue transmitting, by every opportunity, early and correct information to the subscribers in Europe and America of the Arrivals, Clearances, Captures and Misfortunes that may happen to vessels about these and the different West India Islands. As the procuring and forwarding such information, will occupy much time, and be attended with considerable expense, to insure this attention, it will be necessary that men interested in mercantile and other information, should subscribe with liberality to his Gazette. It is published twice a week, price Seven Dollars per annum. Six months advance.

French Night School—Ecole Françoise.

NOTICE is hereby given, That I, the subscriber, Teacher and Translator of the French and English Languages, intend to open the French School, in my common dwelling, on the 26th instant; and if 45 years experience, in giving tuition in this line, in different parts of the United States, wit success, are not sufficient to persuade you to a share of encouragement, I beg those promising youths, who have a desire to become scholars, to apply to friend Philip Thomas, at the sign of the golden key, Baltimore-street, where they can be acquainted with my short, yet grammatical manner of Teaching.

VENEREAL COMPLAINTS.

AS Dr. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine used or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time. As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint. Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.

Strayed FROM the subscriber, on or about the 13th ult. a pale red COW, about 7 or 8 years old; her horns are large and wide, marked with a cross on her left ear and a slit and hole in her right, and she is remarkably speckled red and white about the flank. She calved about 2 or 3 months ago, and has a very large udder. Two dollars will be given to any person that will give information to the subscriber, so that he can get her again. HENRY CROWL, march 5 d4c
