RAN away from the subscriber, living on Fell's Point, the 25th December last, a Negro woman, named ROSA, about 30 years of age, 5 feet 7 or 8 inches high, thick lips, and a downy look which she spoke to. Took with her the following clothing—a new coarse linen stuff, a new red and blue flannel petticoat, a new blue cloth cut-dress, a mottled calico gown, without an apron; a blue and white cross-barred cotton handkerchief, a pair of grey yarn stockings, a pair of men's shoes, and a small round brown hat. She has been seen frequently skulking about the Point, but as she has relations in Harford county, it is likely she has gone there, as she has been brought from thence to Baltimore several times, when she had run away. Whoever brings her home, or secures her in any jail, so that I get her again, shall receive the above reward, and all reasonable charges paid.

NOTICE is hereby given, That I, the subscriber, Teacher and Translator of the French and English Languages, intend to open the French School, in my common dwelling on the 75th Street; and if 45 years experience in giving tuition in this line, in different parts of the United States, will succeed, are not sufficient to entitle me to a share of encouragement, I beg those promising youths, who have a desire to become scholars, to apply to friend Philip Thomas, at the sign of the golden key, Bell Street, where they can be acquainted with my short, yet grammatical method of Teaching.
AS I can devote some leisure hours in the day time, to the instruction of a few scholars, I should be happy to make an engagement.

VENEREAL COMPLAINTS
A Dr. WARNER'S practice has been very extensive both in public and private. His early experience convinces him of the superiority of his method of removing the venereal disease, in preference to any medicine sold in the United States. He has removed the most desperate cases, with care and success, both in Europe and America. Cowditch's, both in the urinary passages and debility, arising from various causes, and accidents, is removed in the shortest possible space of time. If there are patients from various countries, personally apply, it may be necessary to follow them, they may be relieved from a description of their complaint.
Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicine prepared that it may be effectual and undisturbed. This may be effected, without the least restriction in drink or diet.
Dr. W. Dr. Warner has removed from Bell Street, to Chamberland Row, No. 64, above the Market-Street.

CRUDEN'S CONCORDANCE
PROPOSALS
By Kimber, Conrad & Co.
For Furnishing by Subscription that Valuable Work, entitled A COMPLETE CONCORDANCE TO THE Holy Scriptures OF THE OLD & NEW TESTAMENT; OR A DICTIONARY & ALPHABETICAL INDEX TO THE BIBLE.
Very useful to all Christians who seriously read and study the inspired writings. It is two parts—containing,
I. The appellative or common words, in so full and large a manner, that any verse may be readily found by looking for any material word in it.
In this part the various significations of the principal words are given, by which the true meaning of many passages of Scripture is shown—an account of several Jewish customs and ceremonies is also added, which may serve to illustrate many parts of Scripture.
II. Proprieties in the Scriptures—To this part is prefixed a table, containing the significations of words in the original languages from which they are derived.
To which is added,
A CONCORDANCE TO THE BOOKS CALLED APOCRYPHA.
The whole digested in an easy and regular method; which, together with the various significations and other improvements now added, renders it more useful than any book of the kind hitherto published.
By ALEXANDER CRUDEN, A. M.
This excellent work having gone through five editions in England, and never yet been printed in America, the publishers are induced to believe, that among the numerous advocates for the reading and study of those invaluable writings, within the compass of the United States, they will meet with sufficient encouragement to warrant their undertaking so large a work.—They have accordingly made arrangements for putting it to press early the present year; and as they rely upon the patronage of the readers of the Holy Scriptures, the utmost attention shall be given to furnish them with as correct and handsome an index to the Bible, as the best London copy.
CONDITIONS.

The Managers respectfully solicit the aid of the public to accomplish the object of the above Lottery—Considerable exertions for several years having been already made by an association of ladies, for the education of poor orphans of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.
The legislature of Maryland has been pleased to grant a lottery to raise a fund upon more stable and permanent principles; for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax on the lottery.—The Managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of its venture, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.
For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.
The managers have given bond for the faithful performance of their trust.
Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12 1/2 per cent.—if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.

Columbia Mills for sale.
THREE MILLS, with the LANDS thence situated, about 27 acres, will be offered for sale by the subscribers at their Auction-room in Baltimore, on MONDAY, the Eighth of April next, at 10 o'clock. This property is situated on the water of the Chesapeake in Harford county, Maryland, 12 miles from Stafford, the residence of John S. One third of the purchase money will be required in hand, a reasonable credit may be had for the residue, on being satisfactorily secured.
