The Managers respectfully solicit the aid of the public to accomplish the object of the above Lottery—Considerable exertions for several years having been already made by an association of ladies, for the education of poor orphans of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.  
The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax...The Managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of adventure, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.  
The managers have given bond for the faithful performance of their trust.  
Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12 1/2 per cent.—if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.

**Columbia Mill for sale.**

THOMAS MILLS, with the LANDS thereunto attached, about 27 acres, will be offered for sale by the subscribers, at their Auction-room in Baltimore, on MONDAY, the Eighth of April next, at half past 11 o'clock. This property is situated on the waters of Lee's Creek, in Harford county, Maryland; 1/2 mile from Stafford, the residence of John Stump, esq. and 3 miles from Rockrun Landing, at the head of tide water on Susquehanna. The improvements are a decent dwelling house, a miller's house, and other out houses; an apple orchard, and a variety of peach and other fruit trees.  
The mill is a substantial stone building, about 66 feet by 40, has two pair of excellent French burr stones, and a pair of Colgate's; the stream is capable of turning two wheels at the dryest season, and the mill every way calculated for carrying on an extensive business; but now out of repair. Jeremiah Rogers, on the premises, can give further information, if required.  
The nearness of this situation to the tide water on Susquehanna, promises important advantages in the purchase of grain descending that river, as well as in the easy carriage of flour, by water, to Baltimore. One third of the purchase money will be required in hand, a reasonable credit may be had for the residue, on being satisfactorily secured.  
At the same time and place will be sold, a tract of LAND, of about 130 acres, on which is an apple orchard, and some small improvements, in a healthy situation, nearly adjoining the residence of Col. George Carvel Hall, in Harford county. It is now in the tenure of William Arnold, and belongs to the estate of Alexander W. Davey, deceased.
