RAN away from the subscriber, living on Fell's Point, the 25th December last, a Negro woman, named ROSE, about 30 years of age, 5 feet 7 or 8 inches high, thick lips, and a down look when spoken to. She has been seen frequently skulking about the Point, but as she has relations in Harford county, it is likely she has gone there, as she has been brought from thence to Baltimore several times, when she had run away. Whoever brings her home, or secures her in any jail, so that I get her again, shall receive the above reward, and all reasonable charges paid.

CRUDEN'S CONCORDANCE.
PROPOSALS
By Kimber, Conrad & Co.
For Publishing by Subscription that Valuable Work, entitled A COMPLETE CONCORDANCE TO THE Holy Scriptures OF THE OLD & NEW TESTAMENT; OR A DICTIONARY & ALPHABETICAL INDEX TO THE BIBLE.
Very useful to all christians who seriously read and study the inspired writings. In two parts—containing,
I. The appellative or common words, in so full and large a manner, that any verse may be readily found by looking for any material word in it.
In this part the various significations of the principal words are given, by which the true meaning of many passages of Scripture is shown—an account of several Jewish customs and ceremonies is also added, which may serve to illustrate many parts of Scripture.
II. Proper names in the Scriptures.—To this part is prefixed a table, containing the significations of words in the original languages from which they are derived.
To which is added, A CONCORDANCE TO THE BOOKS CALLED APOCRYPHA.
The whole digested in an easy and regular method; which, together with the various significations and other improvements now added, renders it more useful than any book of the kind hitherto published.
By ALEXANDER CRUDEN, A M.

The tickets to be sold in Halves, at five dollars each.
The Managers respectfully solicit the aid of the public to accomplish the object of the above Lottery.—Considerable exertions for several years have been already made by an association of ladies, for the education of poor orphans of all denominations.—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.
The legislature of Maryland have been pleased to grant a lottery to raise a fund upon moral and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax.—The Managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of adventure, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.
For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.
The managers have given bond for the faithful performance of their trust.
Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12 1/2 per cent.—if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.
