 RAN away from the subscriber, living on Fell's Point, the 25th December last, a Negro woman, named ROSIE, about 30 years of age, 5 feet 7 or 8 inches high, thick lips, and a down look when spoken to. Tock with her the following clothing—a new coarse linen shift, a new sea laced flannel petticoat, a new blue cloth outside ditto, a mottled calico gown, without an apron; a blue and white cross barre cotton handkerchief, a pair of grey yarn stockings, a pair of men's shoes, and a small round brown hat. She has been seen frequently skulking about the Point, but as she has relations in Harford county, it is likely she has gone there, as she has been caught from thence to Baltimore several times, when she had run away. Whoever brings her home, or secures her in any jail, so that I get her again, shall receive this above reward, and all reasonable charges paid.

**100 Dollars Reward.**  
 RAN away from the subscriber last March was twelve months, a negro man named ROBERT, but generally called Bob—he is about 30 years of age 6 feet high, of a yellowish complexion, with a large scar on his instep, from a burn, with remarkable small legs and thighs, but very large feet; uncommon thick lips, a good set of teeth, & a large head—he passed as a free negro manumitted by the Hunt's; he was living near Baltimore for near 9 months past, with a free mulatto woman as his wife—they have both moved of late down the neck in the wood-cutting, but supposed if gone further, to be in the Wood-cutting near Joppa. It is likely he will be in Town or at the Point in the holidays to see his acquaintances. No doubt is entertained but what he has a forged pass. Whoever will take up the said runaway, and lodge him in any jail, so that I get him again, shall receive the above reward.

**Columbia Mills for sale.**  
 THESE MILLS, with the LANDS thereto attached, about 27 acres, will be offered for sale by the subscribers, at their Auction-room in Baltimore, on MONDAY the Eighth of April next, at 4 past 11 o'clock. This property is situated on the waters of Deer Creek, in Harford county, Maryland; 14 miles from Stafford, the residence of John Stump, esq. and 3 miles from Rockrun Landing, at the head of tide water on Susquehanna. The improvements, are a decent dwelling house, a miller's house, and other out houses; an apple orchard, and a variety of peach and other fruit trees.  
 The mill is a substantial stone building, about 66 feet by 40; has two pairs of excellent French burr stones, and one pair of rollers; the stream is capable of turning two wheels at the dryest season, and the mill every way calculated for carrying on an extensive business, but now out of repair. Jeremiah Rogers, on the premises, can give further information, if required.  
 The nearness of this situation to the tide water on Susquehanna, presents important advantages in the purchase of grain descending that river, as well as in the easy carriage of flour, by water, to Baltimore. One third of the purchase money will be required in hand, a reasonable credit may be had for the residue, on being satisfactorily secured.  
 At the same time and place will be sold, A tract of LAND, of about 130 acres, on which is an apple orchard and some small improvements, in a healthy situation, nearly adjoining the residence of Colonel Carvel Hall in Harford county. It is now in the tenure of William Arnold, and belongs to the estate of Alexander W. Davey, deceased.

The Managers respectfully solicit the aid of the public to accomplish the object of the above Lottery—Considerable exertions for several years having been already made by an association of ladies, for the education of poor orphans of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c. The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax...The Managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of advantage, will be inviting to every citizen, in so or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered. For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket. The managers have given bond for the faithful performance of their trust. Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12 1/2 per cent.—If not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.  THE Managers of this Lottery flatter themselves, from the elevated and healthy situation chosen by the Commissioners appointed for erecting the Market-house, that it will be of the greatest utility and advantage, to that part of the city, and to the country in general, and beg leave to recommend it as an object worthy of their encouragement.  
 As the above Scheme offers every possible encouragement to adventurers, from the many valuable Prizes it contains, and there being considerably less than two Blanks to a Prize, and all Prizes payable in 60 days after the drawing of the Lottery is completed without any deduction, the Managers entertain the greatest hopes of such a speedy sale of the Tickets, as may enable them to commence drawing without loss of time.  
 Such Prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the Market-house.
