

Columbia Mills
SALE BY AUCTION.
 THE COLUMBIA MILLS, with the LANDS thereunto attached, about 17 acres, will be offered to the subscribers, at their Auctioneers Office, in Baltimore, on MONDAY the Eighth of April next, at 11 o'clock. This property is situated on the waters of Deer Creek, in Harford county, Maryland, 1 1/2 miles from St. Johns, the residence of John Stump, esq. and 3 miles from Rockry Landing, at the head of tide water on Suquehanna. The improvements, are a desirable dwelling house, a miller's house, and other out houses; an apple orchard, and a variety of peach and other fruit trees.
 The mill is a substantial stone building, about 60 feet by 40; has two pairs of excellent French burr stones, and one pair of Cologne; the stream is capable of turning two wheels at the dryest season, and the mill every way calculated for carrying on an extensive business, but now out of repair. Jeremiah Rogers, on the premises, can give further information, if required.
 The nearness of this situation to the tide water on Suquehanna, promises important advantages in the purchase of grain descending that river, as well as in the easy carriage of flour, by water, to Baltimore. One third of the purchase money will be required in hand, a reasonable credit may be had for the residue, on being satisfactorily secured.
 The terms, time and place will be sold, on a tract of LAND, of about 130 acres, on which there is an apple orchard and some small improvements, in a healthy situation, nearly adjoining the residence of Colonel Carvel Hall in Harford county, now in the tenure of William Arbold, and the whole of the above property belongs to the estate of Alexander W. Davey, deceased.

 THE Managers of this Lottery flatter themselves, from the elevated and healthy situation chosen by the Commissioners appointed for erecting the Market-house, that it will be of the greatest utility and advantage, to that part of the city, and to the country in general, and beg leave to recommend it as an object worthy of their encouragement.
 As the above Scheme offers every possible encouragement to adventurers, from the many valuable Prizes it contains, and there being considerably less than two Blanks to a Prize, and all Prizes payable in 60 days after the drawing of the Lottery is completed without any deduction, the Managers entertain the greatest hopes of such a speedy sale of the Tickets, as may enable them to commence drawing without loss of time.
 Such Prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the Market-house.
 For the satisfaction of the public, it may not be unnecessary to inform them, that the Managers have given bond to the State of Maryland, to the sum of 30,000 dollars, for the due performance of the trust.
