PROPOSALS

FOR PRINTING BY SUBSCRIPTION, LECTURES ON THEOLOGY, BY CHARLES NISBET, D. D. Late President of Dickinson College, in Carlisle, Pennsylvania. To which will be prefixed AN ACCOUNT OF THE LIFE AND CHARACTER OF THE AUTHOR By the Rev. Dr. SAMUEL MILLER, Of the City of New York.

To those who are acquainted with the character of the late Dr. Nisbet, no recommendation will be necessary to engage their patronage of the publication above proposed. It is well known, that his profound erudition, his eminent talents, and his fervent piety, rendered him, for many years, a distinguished light in the Church of Scotland, and a principal leader of that there denominated the Orthodox Party. His high reputation induced the trustees of Dickinson college to call him from the conspicuous and honorable sphere of usefulness which he occupied in his native country, to take the presidency of that institution. This important station he held for near twenty years, with a degree of honor to himself, and of advantage to the seminary under his care, which those who have attended to the progress of American literature well know. The Lectures now proposed to be published, were delivered at Dickinson college, to a select class of theological students, who heard them with so much gratification and instruction, that manuscript copies were eagerly sought after, and by a few obtained; and application was made to the venerable president, on his death bed, for his consent to have the whole laid before the public in a more correct and perfect form.

Although the body of theological instruction now offered to the world, was not originally formed with a view to publication, and although it did not receive the advantage of the author's last corrections; yet, unless his friends have formed a very partial and erroneous estimate of the work, it will be found to contain a rich fund of the logical learning, which will abundantly repay the reader, and form a lasting monument to the honor of the author.

CONDITIONS. I. The work will be comprised in six octavo volumes, of about 500 pages each; and will be put to press as soon as a subscription offers sufficient to defray the expence of publication. II. It will be printed on a handsome new type and good paper; and executed with neatness and accuracy. III. The price to subscribers will be Two Dollars a volume, in boards, payable on delivery. A volume will be published every 2 months, after the work is put to press. IV. Those who become accountable for ten copies, will be entitled to a copy of the work.

William Rankin, BELL HANGER, No. 34, Market space, BALTIMORE. BEGS leave to inform his friends and the public, that he is well supplied with the best materials in his line of business, and solicits a share of public patronage.

ORPHANS' LOTTERY.

SCHEME of a LOTTERY, For the Benefit of the Impartial Free School, For the Education of Orphans of every denomination. Table with 3 columns: Prize, Amount, Total. Prizes range from \$1 to \$4,000.

The Managers respectfully solicit the aid of the public to accomplish the object of the above Lottery—Considerable exertions for several years having been already made by an association of ladies, for the education of poor orphans of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c. The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax on the above scheme, as well from the benevolence of its intention, as the principle of advantage, by inviting to every citizen, in this or any other part of the United States, Adventurers in this Lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; it will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket. The managers have given bond for the faithful performance of their trust. Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12 1-2 per cent.—if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans. Letters to either of the Managers enclosing the cash, post paid, will be duly attended to. The managers promise to keep a register of all names of adventurers as a security, and to furnish them with the face of their tickets, to any part of the continent, when the drawing is finished.
