PROPOSALS
FOR PRINTING BY SUBSCRIPTION,
LECTURES ON THEOLOGY,
By CHARLES NISBET, D. D.
Late President of Dickinson College, in Carlisle, Pennsylvania.
To which will be prefixed
AN ACCOUNT OF THE LIFE AND CHARACTER OF THE AUTHOR
By the Rev. Dr. SAMUEL MILLER,
Of the city of New York.

To those who are acquainted with the character of the late Dr. Nisbet, no recommendation will be necessary to engage their patronage of the publication above proposed. It is well known, that his profound erudition, his eminent talents, and his fervent piety, rendered him, for many years, a distinguished light in the church of Scotland, and a principal leader of what is there denominated the *Orthodox Party*. His high reputation induced the trustees of Dickinson college to call him from the conspicuous and honorable sphere of usefulness which he occupied in his native country, to take the presidency of that institution. This important station he held for near twenty years, with a degree of honor to himself, and of advantage to the seminary under his care, which those who have attended to the progress of American literature well know. The Lectures now proposed to be published, were delivered at Dickinson college, to a select class of theological students, who heard them with so much gratification and instruction, that manuscript copies were eagerly sought after, and by a few obtained; and application was made to the venerable president on his death bed, for his consent to have the whole laid before the public in a more correct and perfect form.

Although the body of theological instruction now offered to the world, was not originally formed with a view to publication, and although it did not receive the advantage of the author's last corrections; yet, unless his friends have formed a very partial and erroneous estimate of the work, it will be found to contain a rich fund of theological learning, which will abundantly repay the reader, and form a lasting monument to the honor of the author.

CONDITIONS.
I The work will be comprised in six octavo volumes, of about 500 pages each; and will be put to press as soon as a subscription sufficient to defray the expense of publication.
II It will be printed on a handsome new type and good paper; and executed with neatness and accuracy.
III The price to subscribers will be Two Dollars a volume in boards, payable on delivery. A volume will be published every 2 months, after the work is put to press.
IV Those who become accountable for ten copies, will be entitled to a copy of the work.
* Subscriptions received at the Baltimore Library, and at the different bookstores.
