Land for sale.

A PART of that very valuable tract of LAND, formerly the property and residence of John Mercer Porter, deceased—situated in Baltimore county, in Back river neck, and about 14 miles from the city—containing 240 acres of strong fertile land, a great part of which is in a high state of cultivation; 14 acres in excellent timothy meadow, and about 20 acres more may be added at a very small expense.—The improvements are of wood, lately erected, and such as would suit for farm houses.—The part in wood, which is at least equal to the support of the place, abounds in lofty white oaks, interspersed with hickory. This property will be sold part for cash and part for credit, or bartered for approved produce, in any of Baltimore. It is a desirable and profitable investment, therefore it is unnecessary to give any further description of them. Peregrine Hunter, adjacent to the premises, will show them, and treat for the sale thereof—or, if more convenient to purchasers, apply to Wm. C. GOULDSMITH. August 4

Fifty Dollars Reward.

RAN away from the subscriber, from on board the brig Sophia, in October last, a light mulatto man, who calls himself WILLIAM HILL,—he is 24 years of age, about 6 feet 1 inch high, has a large scar under his left eye, and a down look when spoken to—fond of spirituous liquors. As the above fellow has taken with him a number of clothes, it is not necessary to describe his dress, as it is probable he may change it.— Wm. H. HANSON, No. 69, Cumberland Row. N. B. I forewarn all persons from harboring or concealing said fellow, he being a slave. December 3

Ten Dollars Reward.

RAN away from the subscriber, on the 24th of March last, a Negro Man, named JESSE or JOHN BAPTISTE, about 35 years of age, 5 feet 6 inches high. He has the scars or marks on his face which are customary among the natives of Africa. He had on a brown great coat, with a blue cloth belt, and pants of a green velvet.—The public are interested in having this fellow taken up, as he is in the habit of carrying fire about him day and night, either in his pipe or otherwise.—The above reward will be paid to any person who will commit him to prison and give information thereof to P. MARCHAND, Grocery-store, Rogers's Alley. April 11

100 Dollars Reward.

RAN away from the subscriber on the 23d of February last a Negro lad named JIM, 19 years of age, 5 feet 6 or 7 inches high, square built, black brown complexion, a small scar under one of his eyes and had one on each cheek, the white of his eyes are mixed with a yellowish red, and a good countenance; he has a hurt in one of his legs which is not perceivable unless he walks quick. His dress when he went away was a blue bias outside jacket lined with green, longer than common—a blue inside ditto half worn, a grey farnalght pair of breeches, a coarse shirt, white yarn stockings and two pair of shoes. He is an artful villain and will change both name and dress, and will endeavor (through the means of his father who lives on Fell's Point) to pass for a free man and no doubt will enter on board some vessel as such. This is the 3d time he has run off.—He ran away the 5th of January 1801, and was caught in Little York jail. If he is taken up in Maryland I will pay fifty dollars and reasonable expence if brought and delivered to me—if in any other state the above reward, and all reasonable expences on his being delivered to Wm. STENSON. N. B. All masters of vessels are warned not to take him away. W. S. 1st

Notice is hereby given,

THAT a Convention of the Medical and Chirurgical Faculty of Maryland will commence at Baltimore on the first Monday in June. The practitioners of medicine and surgery, in the state of Maryland, are respectfully invited to attend. Those who have not been elected members of the faculty, will please to signify their wishes to the secretary, or some other member, that they may be admitted at the opening of the convention, and take their seats immediately. Gentlemen who are candidates for permission to practise physic and surgery, in the state of Maryland, will please to attend at the session of the convention. By a unanimous resolution at the last meeting of the faculty, the orator appointed in 1822 to have delivered an oration in 1823, was directed to deliver the same in 1805—indisposition having been deemed a sufficient apology for the non performance of his duty at that time. The orator appointed for 1805, will, nevertheless, be expected to deliver his oration at the convention in June. The Censors of the counties, towns, and of the cities of Baltimore and Annapolis, are earnestly requested to report to the convention (through the secretary) the names, places of residence, and dates of the commencement of practice of all the practitioners within their respective jurisdictions. The censors will feel the necessity of such a measure, when they reflect that there are many unlicensed practitioners infringing the law, and that without the rigorous execution of their duty, it must become a dead letter. Med. and Chirug. Fac. Maryland. The editors of the Washington Federalist, the National Intelligencer, the Frederick town Herald, and of the Star, at Easton, will confer a particular favor on the faculty of physic, as well as give the interests of science and humanity, by giving the above a place in their papers two or three times previous to the first Monday in June.
