Notice is hereby given,

HAT a Convention of the Medical and Chirurgical Faculty of Maryland will commence at Baltimere on the first Monday in June. The practitioners of medicine and surgery, in the state of Maryland, are respectfully invited to abtend. Those who have not been elected meme bets of the faculty, will please to signify their wishes to the secretar, or some other member, that they may be admitted at the opening fine convention, and take their seats immediately. Gentlemen who are candinates for permission to pradice physic and surgery, in the state of Maryland, will please to attend at the session

By an unanimous resolution at the last meeting of the faculty, the oretor appointed in 1802 to have delivered an oration in 1803, was directed to deliver the same in 1805—indisposition having been deemed a sufficient ap logy for the non performance of his duty at that time. The orator appointed for 1805, will, nevertheless, be expected to deliver his oration at the conven-

tion in June The Censors of the counties, towns, and of the cities of Baltimore and Annapolis, are earnearly requested to report to the convention (through the secretary) the names, places of residence, and dates of the commencement of practice of all the practitioners within their respective jurisdictions. The censors will feel the necessity of such a measure, when they reflect

that there are many unlicensed practitioners in-

fringing the law, and that without theregorous execution of their duty, it must become a nead NATH. POTTER, Sec'ry. Med. and Chirurg. Fac. Maryland. The editors of the Washington Federalist, the National Intelligencer, the Frederick town Herald, and of the Star, at Kaston, will confer a particular favor on the faculty of physic, as well as serve the interests of science and

humanity, by giving the above a place in their papers two or three times previous to the first Monday in June:
