Fifty Dollars Reward.
STOLEN on Monday morning last, between the hours of 2 and 4 o'clock, from the stable of the subscribers, at Woodbury Mills, on Jones's Falls, about four miles from Baltimore a Wagon HORSE. He is a grey Gelding, about 4 years old, in high order, about 15 or 15½ hands high. He is a well turned horse, but not a good hack; trots rough, has a tolerable long switch tail, and his head more white than his body. The villain who stole him was seen this morning about daylight, near Beams' tavern, on the Reister's town turnpike road, in company with a black man or a black horse; he then had the blind bridle on the horse, about half worn, which he took from the stable with the horse, and was riding on a blanket in the place of a saddle. We will give Twenty Dollars for the horse, if delivered to us in Baltimore; or Fifty Dollars for theft and horse, upon conviction.

There is no doubt but the horse is stolen by one of the gang of jockeys who are lurking about the city, and it would be well for those who have horses, to keep a vigilant look-out for these fellows, and endeavor if possible to bring them to justice, as a number of horses have lately been stolen in or near the city.
