FRENCH NIGHT SCHOOL.

Ecole Françoise.

NOTICE is hereby given, That I, the subscriber, Teacher and Translator of the French and English Languages, intend to open the French School, in my convenient dwelling, on the 26th instant; and if 13 years experience, in giving tuition in this line, in different parts of the United States, with success, are not sufficient to entitle me to a share of encouragement, I beg those promising youths, who have a desire to become scholars, to apply to friend Philip Thomas, at the sign of the golden key, Baltimore-street, where they can be acquainted with my strict, yet grammatical manner of teaching.

AS I can devote some leisure hours in the day-time, to the instruction of a few scholars, I should be happy to make an engagement.

THE Managers of this Lottery flatter themselves, from the elevated and healthy situation, chosen by the Commissioners appointed for erecting the Market-house, that it will be of the greatest utility and advantage to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.	

As the above Scheme offers every possible encouragement to adventurers, from the man- valuable Prizes it contains, and there being considerably less than two Blanks to a Prize, and all Prizes payable in 60 days after the drawing of the Lotery is completed without any deduction, the Managers entertain the greatest hopes of such a speedy sale of the Tickets, as may enable them to commence drawing without loss of time.

Such Prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the Market-house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the Managers have given bond to the State of Maryland in the sum of 30,000 dollars, for the due performance of the trust.
