**VENERIAL COMPLAINTS.**  
A S Dr. WARMAN'S practice has seen  
very extensive both in public and pri-  
vate, daily experience convinces him of the  
propriety of his method of removing the  
venereal disease, in preference to any medicine  
vented or known in Baltimore. He has re-  
covered the most desperate cases with care and  
dispatch, after the failure of some of the ablest  
physicians both in Europe and America. Com-  
plaints of the urinary passages and debility  
herof, from various causes and accidents,  
removed in the shortest possible space of time.  
—As there are persons from various causes  
cannot personally apply, it may be necessary  
to inform them, they may be relieved from a  
description of their complaint.  
Dr. W. warrants a cure in all cases. Masters  
of vessels and travellers may have their medi-  
cines so prepared that a safe, effectual and ex-  
peditious cure may be effected, without the  
restriction of diet or diet.
