VENERIAL COMPLAINTS.

Dr. WARMER'S practice has been
very extensive both in public and pri-
vate, daily experience convinces him of the
propriety of his method of removing the
venereal disease, in preference to any medicine
vended or known in Baltimore. He has re-
moved the most desperate cases with care and
dispatch, after the failure of some of the ablest
physicians both in Europe and America. Com-
plaints of the urinary passages and debility
thereof, from various causes and accidents,
removed in the shortest possible space of time.
—As there are persons from various causes
cannot personally apply, it may be necessary
to inform them, they may be relieved from a
description of their complaint.
Dr. W. warrants a cure in all cases. Masters
of vessels and travellers may have their medi-
cine so prepared that a safe, effectual and ex-
pedient cure may be effected, without the
least restriction to drink or diet.

N. B. Dr. Warner has removed from
Baltimore street, to Cumberland Row, No. 68,
below the Marsh-market.
