Accountant's Office.
THE PUBLIC are respectfully informed,
that an office is now opened at No. 55,
Water-street two doors from South Gay-street;
where merchants and tradesmen may depend
on having their Books posted and balanced with
accuracy, neatness and dispatch—either by the
job or year.
It is needless to enumerate all the advan-
tages arising from such an institution, in so popu-
lar and commercial a city as Baltimore—many
are self evident—suffice it to observe, that
merchants or tradesmen, who do or do not keep
regular accounts, may derive great benefit
therefrom—the former, by having their books
posted and balanced at a small expense—the
latter, by having their accounts regularly kept,
may enjoy the satisfaction of knowing how
their affairs stand, and of being able to furnish
desired by every one engaged in business; for,
it is a melancholy truth, that many an honest &
industrious tradesman, hath been reduced by
his neglect, carelessness or incapacity to keep his
accounts correct.
Disputed or unsettled accounts, arranged &
finally adjusted.
Charter parties, agreements, bonds, powers
of attorney, &c. &c. made out; writings of every
description neatly, accurately and expeditiously
copied.
Those gentlemen, who may please to encou-
rage this institution by their support, are as-
sured that every attention will be paid to their
interest, and inviolable secrecy maintained.

For Sale,
A TRACT OF LAND in Baltimore coun-
ty, containing about six hundred acres; 4
hundred of which are supposed to be in wood.
On this tract there is a handsome piece of mead-
ow, and a young thriving apple orchard. This
land is about 28 miles from the city of Balti-
more, and not far from Colonel O'Donnell's
country residence, purchased of Mr. William
Buchanan.
Also,
A TRACT OF LAND containing about 300
acres, about 14 miles from the City of Baltimore,
west of Rawlall's town. On this last mentioned
tract there is a stone dwelling HOUSE, just fi-
nished, with convenient cellars, two rooms and
a passage on the first floor three rooms and a
passage on the second floor, and a gurret; a
new stone stable, corn house and coach house;
an verser's house with two rooms, lately re-
paired at the expense of two hundred dollars;
kitchen and other out houses, an excellent ap-
ple orchard, with other good fruit trees, and a
good garden.
On both places there is water, not exceeded
in the county; and good clover lots. No place
can exceed them in respect of health. There
is a proportionate part of woodland on the last
place.
I will permit the purchasers to seed the ensu-
ing fall, or I would seed for them. The dwell-
ing house on the last mentioned farm might be
immediately taken possession of by the purcha-
ser. Presuming that no person will purchase
without viewing the premises, I do not go into
detail.
Both of the above places are convenient to
mills; there is a mill not more than a quarter of
a mile from the last mentioned place; a good
neighborhood, and the Episcopal and Presby-
terian churches within five miles. An indispu-
