Accountant's Office.
THE PUBLIC are respectfully informed,
that, an office is now opened at No. 55,
Water-street two doors from South Gay-street;
where merchants and tradesmen may depend
on having their Books posted and balanced with
accuracy, neatness and dispatch—either by the
job or year.
It is needless to enumerate all the advan-
tages arising from such an institution, in so popu-
lous and commercial a city as Baltimore—(many
are self evident)—suffice it to observe, that,
merchants or tradesmen, who do or do not keep
regular accounts, may derive great benefit
therefrom—the former, by having their books
posted and balanced at a small expense—the
latter by having their accounts regularly kept,
may enjoy the satisfaction of knowing how
their affairs stand—a satisfaction truly to be
desired by every one engaged in business; for,
it is a melancholy truth, that many an honest &
industrious tradesman, hath been reduced by
his neglect, carelessness or incapacity to keep his
accounts correct.
Disputed or unsettled accounts, arranged &
finally adjusted.
Charter parties, agreements, bonds, powers
of attorney, &c. &c. made out; writings of ev-
ery description neatly, accurately and expeditiously
copied.
Those gentlemen, who may please to encour-
age this institution by their support, are assur-
ed that every attention will be paid to their in-
terest, and inviolable secrecy maintained.
