to continue transmitting, by every opportunity,
EARLY and CORRECT information to subscribers
in Europe and America, of the Arrivals, Clear-
ances, Captures, and Misfortunes that may hap-
pen to vessels about these and the different
West India Islands.
As the procuring and forwarding such in-
formation, will occupy much time, and be attend-
ed with considerable expence—to ensure this
attention, it will be necessary that men inter-
ested in mercantile and other information, should
subscribe with liberality to his Gazette. It is
published twice a week, price eight dollars and
a half per annum.—One half in advance.

Accountant's Office.
THE PUBLIC are respectfully informed,
that an office is now opened at No. 25,
Water-street two doors from South Gay-street;
where merchants and tradesmen may depend
on having their Books posted and balanced with
accuracy, neatness and dispatch—either by the
job or year.
It is needless to enumerate all the advan-
tages arising from such an institution, in so popu-
lar and commercial a city as Baltimore—(many
are self evident)—suffice it to observe, that
merchants or tradesmen, who do or do not keep
regular accounts, may derive great benefit
therefrom—the former, by having their books
posted and balanced at a small expence—the
latter by having their accounts regularly kept,
may enjoy the satisfaction of knowing how
their affairs stand—a satisfaction truly to be
desired by every one engaged in business; for,
it is a melancholy truth, that many an honest &
industrious tradesman, hath been reduced by
his neglect, carelessness or incapacity to keep his
accounts correct.
Disputed or unsettled accounts, arranged &
finally adjusted.
Charter parties, agreements, bonds, powers
of attorney, &c. &c. made out; writings of ev-
ery description neatly, accurately and expediti-
ously copied.
Those gentlemen, who may please to encou-
rage this institution by their support, are as-
sured that every attention will be paid to their in-
terest, and inviolable secrecy maintained.
