A fresh supply of

DOCTOR COOLEY'S vegetable Elixir, is just received and for sale by GEORGE MARIS, Druggist, No. 140, Market-street.

A Remedy, far exceeding every other yet used, for consumptions, asthma, spitting of blood, coughs, shortness of breath, and every other species of disease to which that organ of life, the lungs, is perpetually exposed.

Complaints of the lungs have always been considered the opprobria medicum (or reproach of the art of physic) and it has long been a desideratum in medical science, that a remedy might be devised which should check the outlet of human life. The many thousands which yearly fall a sacrifice to this insidious disease, (phthisis pulmonalis, or consumption of the lungs, has ever since my acquaintance with diseases, (which is almost thirty years) so excited my commiseration, that a large share of my time has been employed in investigating the cause and cure of it; and, from my most unremitted attention and constant research I have the happiness to proclaim to the world—that my Vegetable Elixir, a speedy, safe, and effectually remedial is generally to be had. It is needless for me to dwell too long on the praises of this medicine; those who use it will be immediately convinced of its superior virtues. In dispelling every distressing symptom in the complaint above enumerated; these hectic heats will in a few days be allayed, the night sweats will disappear, the cough diminishes rapidly, and the patients, who, previous to the use of this medicine, were panting for breath, and fast approaching to dissolution, will find themselves resuscitated in the most unexpected manner. So wonderful has been the relief, that, to express their gratitude, frequent solicitations have been made to have their testimonials made public of the unrivalled virtues of this medicine: those who experience its benign and salutary effects by a short trial, will need no other recommendation. It is not pretended that this medicine will cure every disease to which suffering humanity is liable, as is the case with most patent medicines; diseases which are as completely opposite as an acid and an alkali, they will assist, are all to be cured by one simple remedy. Such weak impostors have with much propriety brought most patent drugs into disrepute.—But the Vegetable Elixir is calculated for one class of diseases only, viz. those to which the lungs are exposed, and I need not observe that they terminate in consumptions. The precursors or harbingers of this hurtful infirmity (the Elixir) are spitting of blood, pains in the breast, sides, coughs, difficulty in breathing, and a great number of complaints, which slender and delicate constitutions are so frequently laboring under, which if attended to immediately on their commencement, will easily be evinced, and those in the last stages will be much alleviated, and many of them effectually cured. Price 75 cents per bottle.

Also, for sale as above, Doctor Cooley's genuine ANTI-FISTULOUS ATTENUATING AND RESTORATIVE PILLS.

Greatly improved in Rheumatic and Bilious complaints—50 cents a box, 2aw1

Pennsylvania House

MYER'S CITY TAVERN. THE subscriber respectfully acquaints his friends and the public in general, that he has removed from his old tavern stand, to the adjoining houses on the Pennsylvania Avenue, lately occupied by Mrs. Wilson as a boarding house, and Mr. Woodward's tavern, in which he is now opening a complete hotel. The stand is probably not excelled by any in the city, either for the accommodation of travellers or boarders; being at a convenient and almost equal distance from the capitol, the president's house, and public offices; near the theatre, Messrs. Wray's printing-office, and centre market; opposite the office of the National Intelligencer and adjoining Mr. Dyane's book-store.—These houses contain twenty-six lodging rooms, with fire-places, exclusive of dining, bar, assembly and coffee rooms, servants apartments, &c. The celebrated ridge-spring, is conveyed in pipes to the yard of this hotel, where it supplies the whole neighbourhood with flowing, cool water, to which the general health of this part of the city has in a general measure been attributed. The stabling of the hotel now erected is considerable; more however will be completed before the meeting of congress. I now beg leave to inform my friends with confidence, that my prices shall be as heretofore, corresponding with Pennsylvania tavern rates; and in proportion as my elbow-room has increased, my disposition to please shall be enlarged; I therefore respectfully hope the continuance of a share of the public patronage. SOLOMON MYER. Washington July 18, 50th year of the Independence. July 31

1000 Dollars Reward.

ON Saturday evening, between 10 and ten o'clock, the Office of Discount and Deposit, established in this city, was fireably opened by thieves, and a Sum of Money in paper and specie, chiefly small change, contained in a small wrought Iron Chest, was stolen therefrom. The villain, who perpetrated this daring robbery, were not able to succeed, although they made the most violent attempts to penetrate the vault: all they effected was to bear off the Iron Chest above mentioned, and its contents. Among other bank-notes therein, was a parcel of old defaced notes, two of which were for 300 dollars each, of this office; the indentments on them entirely filled their backs. The said notes are generally much defaced, ragged, and scarcely fit for circulation.—About the hour this act was committed, a person was seen with an iron chest in a wheel-barrow, passing over Griffith's bridge. There is no doubt but several villains were engaged in the atrocious robbery.—The above reward will be given to any person or persons who will detect and bring them to conviction; and should one of the accomplices engaged therein make a discovery, so that the rest be convicted of the fact, he shall receive the above reward, and interest made with the governor of this state, to obtain for him a full and free pardon. DAVID HARRIS, Cashier. July 29
