A fresh supply of
DOCTOR COOLEY'S Vegetable Elixir, is
just received and for sale by **GEORGE**
MARIS, Druggist, No. 140, Market-street.
A Remedy, far exceeding every other yet
used, for consumptions, asthma, spitting of
blood, coughs, shortness of breath, and every
other species of disease to which that organ of
life, the lungs, is perpetually exposed.
Complaints of the lungs have always been
considered the opprobria medicinae (or reproach
to the art of physic) and it has long been a de-
sideratum in medical science, that a remedy
might be devised which should check this outlet
of human life. The many thousands which
yearly fall a sacrifice to this insidious disease,
(phthisis pulmonalis, or consumption of the
lungs, has, ever since my acquaintance with
diseases, which is almost thirty years) so ex-
cited my commiseration, that a large share of
my time has been employed in investigating the
cause and cure of it: and, from my most unre-
mited attention and constant research, I have
the happiness to proclaim to the world, that, in
my Vegetable Elixir, a speedy, safe, and effec-
tual remedy is generally to be had. It is need-
less for me to dwell too long on the praises of
this medicine: those who use it will be im-
mediately convinced of its superior virtues in dis-
pelling every distressing symptom in the com-
plaints above enumerated; those hectic heats
will in a few days be allayed, the night sweats
will disappear, the cough diminishes rapidly,
and the patients who, previous to the use of this
medicine, were panting for breath, and fast ap-
proaching to dissolution, will find themselves
re-suscitated in the most unexpected manner.
So wonderful has been the relief, that, to express
their gratitude, frequent solicitations have been
made to have their testimonials made public of
the unrivalled virtues of this medicine: those
who experience its benign and salutary effects
by a short trial, will need no other recommenda-
tion.
It is not pretended that this medicine will cure
every disease to which suffering humanity is
liable, as is the case with most patent medi-
cines; diseases which are as completely opposite
as an acid and an alkali, they will assert, are
all to be cured by one simple remedy. Such
weak impositions have with much propriety
brought most patent drugs into disrepute.—But
the Vegetable Elixir is calculated for one class
of diseases only, viz. those to which the lungs
are exposed, and I need not observe that they
terminate in consumptions. The precursors or
harbingers of this lathetic intractable malady,
(until the discovery of the Vegetable Elixir)
are spitting of blood, pains in the breast and
sides, coughs, difficulty in breathing, and a
great number of complaints, which slender and
delicate constitutions are so frequently labor-
ing under, which if attended to immediately on
their commencement, will easily be obviated,
and those in the last stages will be much allevi-
ated, and many of them effectually cured.—
Price 75 cents per bottle.
Also, for sale as above,
Doctor Cooley's Genuine
ANTI-PESTITENTIAL ATTENUATING AND
RESTORATIVE
PILLS,
Greatly esteemed in Rheumatic and Bilious
plaints—50 cents a box
