N Saturday evening, between dark and ten o'clock, the Office of Discount and Deposit, established in this city, was forcibly opened by thieves, and a Sum of Money in paper and specie, chiefly small change, contained in a small wrought Iron Chest, was stolen therefrom. The villians who perpetrated this daring robbery, were not able to succeed, although they made the most violent attempts to penetrate the vault : all they effected was to bear off the Iron Chest above mentioned, and i's contents. Among other bank-notes therein, was a parcel of old defaced notes, two of which were for 500 dollars each, of this office; the indursements on them entirely filled their backs. The said notes are generally much defaced, ragged, and scarcely fit for circulation .- About the hour this act was committed, a person was seen with an iron eliest in a wheel-barrow, passing over Griffith's bridge. There is no doubt but several villains were engaged in the atrocious robbery.-The above reward will be given to any person or persons who will detect and bring them to conviction; and should one of the accomplices engaged therein make a discovery, so that the rest be convicted of the fact, he shall receive the above reward, and interest made with the governor of this state, to obtain for him a full
