JOHN & JAMES HUGHES,

A fresh supply of
DOCTOR COOLEY'S Vegetable Elixir, is just received and for sale by GEORGE MARIS, Druggist, No. 140, Market-street.
A Remedy, for exceeding every other yet used, for consumptions, asthma, spitting of blood, coughs, shortness of breath, and every other species of disease to which that organ of life, the lungs, is perpetually exposed.
Complaints of the lungs have always been considered the opprobria medicine (or reproach to the art of physic) and it has long been a desideratum in medical science, that a remedy might be devised which should check this outlet of human life. The many thousands which yearly fall a sacrifice to this insidious disease, (phthisis pulmonalis, or consumption of the lungs, has ever since my acquaintance with diseases, which is almost thirty years) so excited my commiseration, that a large share of my time has been employed in investigating the cause and cure of it; and, from my most unremitting attention and constant research, I have the happiness to proclaim to the world, that, in my Vegetable Elixir, a speedy, safe, and effectual remedy is generally to be had. It is needless for me to dwell too long on the praises of this medicine; those who use it will be immediately convinced of its superior virtues in dispelling every distressing symptom in the complaints above enumerated; those hectic heats will in a few days be allayed, the night sweats will disappear, the cough diminishes rapidly, and the patients who, previous to the use of this medicine, were panting for breath, and fast approaching to dissolution, will find themselves resuscitated in the most unexpected manner. So wonderful has been the relief, that, to express their gratitude, frequent solicitations have been made to have their testimonials made public of the unrivalled virtues of this medicine; those who experience its benign and salutary effects by a short trial, will need no other recommendation.
It is not pretended that this medicine will cure every disease to which suffering humanity is liable, as is the case with most potent medicines; diseases which are as completely opposite as an acid and an alkali, they will assert, are all to be cured by one simple remedy. Such weak impostors have with much propriety brought most potent drugs into disrepute.—But the Vegetable Elixir is calculated for one class of diseases only, viz. those to which the lungs are exposed, and I need not observe that they terminate in consumptions. The precursors or harbingers of this lethiferous vegetable malady, (until the discovery of the Vegetable Elixir) are spitting of blood, pains in the breast and sides, coughs, difficulty in breathing, and a great number of complaints, which slender and delicate constitutions are so frequently laboring under, which if attended to immediately on their commencement, will easily be obviated, and those in the last stages will be much alleviated, and many of them effectually cured.—Price 75 cents per bottle.
Also, for sale as above,
Doctor Cooley's Genuine
ANTI-PHLEBITIC ATTENUATING AND
RESTORATIVE
PILLS,
Greatly esteemed in Rheumatic and Bilious complaints—50 cents a box

Ten Dollars Reward,
WILL be given to any person for apprehending John Brown, who has deserted from the United States Brig Harriet, after slipping on board said Brig: he is about 23 or 24 years of age, 5 feet 7 or 8 inches high, stout made, smooth face, and speaks broad Irish; had when he went off, a black eye, an old hat, blue jacket and trousers.
Also, the above reward will be given for apprehending John Fullerton, also a deserter from said Brig: he is about 35 years of age, 5 feet 6 inches high, stout made, lame in the right arm, marked with the small pox, and has got a black eye; he had on a blue jacket and trousers, a white ruffled shirt. By birth an Irish man, and speaks broad. The above deserters came in the schooner Phillip, from New York, and it is highly probable they have made for that place.
The public and captains of vessels are requested not to harbour or carry off said Runaways, as the law will be strictly enforced. It is very likely they will change their names.

1000 Dollars Reward.
ON Saturday evening, between dark and ten o'clock, the Office of Discount and Deposit, established in this city, was forcibly opened by thieves, and a sum of Money in paper and specie, chiefly small change, contained in a small wrought Iron Chest, was stolen therefrom. The villains who perpetrated this daring robbery, were not able to succeed, although they made the most violent attempts to penetrate the vault; all they effected was to bear off the Iron Chest above mentioned, and its contents. Among other bank-notes therein, was a parcel of old defaced notes, two of which were for 500 dollars each, of this office; the indorsements on them entirely filled their backs. The said notes are generally much defaced, ragged, and scarcely fit for circulation.—About the hour this act was committed, a person was seen with an iron chest in a wheel-larrow, passing over Griffith's bridge. There is no doubt but several villains were engaged in the atrocious robbery.—The above reward will be given to any person or persons who will detect and bring them to conviction; and should one of the accomplices engaged therein make a discovery, so that the rest be convicted of the fact, he shall receive the above reward, and interest made with the governor of this state, to obtain for him a full and free pardon.

French Night School.
NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but as to promise to do wonders in half of my pupils—I have none, it suffices to tell them that no language can be learned without grammatical rules, even as far as translation, the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies & Gentlemen of America, during more than 45 years; I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.

15 Hundred Dollars Reward.
HIGH-WAY ROBBERY
YESTERDAY about 11 o'clock, in the forenoon, Mr. John Potter, an officer of the bank of Columbia, was stopped on horseback, on the road between this town and Alexandria, and within about two miles of the latter place, by some unknown villain, shot through the body with a pistol, and robbed of a sum of money in his possession, belonging to this institution, which he was taking to Alexandria, for the purpose of exchanging with the bank there.
The whole sum taken amounted to eight hundred and one hundred and fourteen dollars and sixty five cents, made up in several packages, among which were
1 post note of the Bank of Virginia, for 200 dollars
1 do. of the bank of Alexandria for 500
1 do. of the same for 500
1 do. of the same for 450
1 do. of the Bank of Potomac, No. 117, in favor of Jos. Riddle, and by him endorsed in Washington Bowie, and by W. B. endorsed to Blank, dated 6th July, 1805, for 149 dollars, 65 cents.
A check of the Union Bank, on the bank of Alexandria, drawn by R. Highbottom, cashier, in favor of Greetham and Devereux, by them endorsed, and by Benjamin Stoddert, and C. Smith, teller.
There were also a parcel of post notes of the bank of Alexandria for 100 dollars, and for 50 dollars each. The remainder was in current notes, principally of the banks of Alexandria and Potomac, and some few of the bank of Virginia, of different sizes and denominations.
As the ATTACK was SUDDEN, and the WOUND received of a nature to deprive Mr. Potter instantly of his senses, that it is to be hoped he will recover, the description obtained may not be very accurate. As far as we are informed, the man who perpetrated the act is of middle stature, good complexion, and had a general appearance. He had on a dark blue or black coat, white waistcoat, shoes, and a black hat. He was on foot and alone at the time, but may have had accomplices concealed, and will probably change his clothes.
Five Hundred Dollars will be given to any person or persons who will detect and bring to conviction the robber; and One Thousand Dollars additional for the recovery of the whole of the money, or in proportion for any smaller sum recovered. Should there be accomplices, and one of them make a discovery, so that it leads to a conviction of the robber, or to the recovery of the money, he shall receive the above reward, and interest will be made to obtain his pardon.
WILLIAM WHANN,
Cashier of the Bank of Columbia.
