Ten Dollars Reward,
WILL be given to any person for apprehending **John Brown**, who has deserted from the United States brig Hornet, after shipping on board said brig; he is about 23 or 24 years of age, 5 feet 7 or 8 inches high, stout made, smooth face, and speaks broad Irish; had when he went off, a black eye, an old hat, blue jacket and trousers.

1000 Dollars Reward.
ON Saturday evening, between dark and ten o'clock, the Office of Discount and Deposit, established in this city, was forcibly opened by thieves, and a Sum of Money in paper and specie, chiefly small change, contained in a small wrought Iron Chest, was stolen therefrom. The villain who perpetrated this daring robbery, were not able to succeed, although they made the most violent attempts to penetrate the vault; all they effected was to hear off the Iron Chest above mentioned, and its contents. Among other bank-notes therein, was a parcel of old defaced notes, two of which were for 500 dollars each, of this office; the indentments on them entirely filled their backs. The said notes are generally much defaced, ragged, and scarcely fit for circulation.—About the hour this act was committed, a person was seen with an iron chest in a wheel-barrow, passing over Griffith's bridge. There is no doubt but several villains were engaged in the atrocious robbery.—The above reward will be given to any person or persons who will detect and bring them to conviction; and should one of the accomplices engaged therein make a discovery; so that the rest be convicted of the fact, he shall receive the above reward, and interest made with the governor of this state, to obtain for him a full and free pardon.

French Night School.
NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but as to promise to do wonders in behalf of my pupils—I have no need, it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies & Gentlemen of America, during more than 45 years; I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.

Farmers Bank.
AT a meeting of the Directors, held at Annapolis, October 1, 1805, the President laid before them an official statement of the subscriptions taken, and the amount of monies paid in, at Easton, on Saturday the twenty-eighth of September, which, being compared with the state of the subscription books at Annapolis, as they were closed on the thirtieth of September, it appeared that the number of shares required by the charter to be subscribed, and the amount of money required to be paid in, previously to the first of October, have been considerably exceeded by the subscriptions and payments so taken; and paid, exclusive of all those subscriptions and payments that may have been taken at Easton, on Monday, the thirtieth of September, and by the several directors of the respective counties of this state, agreeably to the resolution of the joint board of directors of the Bank and branch bank, passed on the twenty-eighth day of August, eighteen hundred and five.

The board do therefore ratify, and hereby declare the same to the stockholders and the public, and that the books for subscription are from this day closed on the respective shares.

Notice of Fourth Payment.
THE fourth instalment on the stock held in the Farmers Bank will become due on Monday, the fourteenth day of October, inst. For the information of stockholders the following clause of the act of incorporation is subjoined.
And be it enacted, That if any stockholder shall fail to pay his or her instalments, to the amount of ten dollars on each share, at the times and in the manner before specified, such stockholder shall forfeit, to the use of the company, all monies paid antecedently to such failure or default; but no forfeiture shall take place after ten dollars on each share shall have been paid; but, as it is requisite that means shall be taken to secure the regular payment of the subsequent instalments, therefore, if any stockholder shall fail to make regular payment of any instalment after ten dollars shall have been paid, such stockholder's money in bank shall remain free from interest, and not entitled to dividend until such instalment, or call, shall be made good; and the dividend there after to be paid to such stockholder, (as well upon the money by him regularly paid, as upon the money paid after default,) shall be calculated only from the time when said last instalment was made good.

The stockholders will therefore observe, that a failure in any one payment when it becomes due will be attended with a loss of interest on all former payments, although regularly made, and that interest on no part of such stock will commence, but from the date of the completion of the last payment due.
By order of the Board,

RAN away from the subscriber, on Monday morning the 16th of September last, a negro man named **WILLIAM DAVIS**; he is 5 feet 3 or 4 inches high, 22 or 23 years of age; a square well set fellow, of a yellowish cast; has one of his ears bored and wears a piece of lead in it, but not recollected which; when spoken to is apt to look down. He took with him a short white over jacket, a white linen shirt and nankin trousers; a dark colored short jacket and tickling shirt; a trowsers; he crossed Patuxent lower river, early on the day he ran away. I expect he is gone to Prince Georges county or to Herring Bay, where he formerly lived; his father lives with Mr. Thomas Duckett, near Belle Air. The above reward, with reasonable expenses, will be paid for bringing him home, or for information, so that his master may get him again.

15 Hundred Dollars Reward.
YESTERDAY about 11 o'clock, in the forenoon, Mr. John Peter, an officer of the bank of Columbia, was stopped on horseback, on the road between this town and Alexandria, and within about two miles of the latter place, by some unknown villain, shot through the body with a pistol, and robbed of a sum of money in his possession, belonging to this institution, which he was taking to Alexandria, for the purpose of exchanging with the banks there.

The whole sum taken amounted to eighteen thousand one hundred and fourteen dollars and sixty five cents, made up in several packages, among which were
1 post note of the Bank of Virginia, for 800 dolls
1 do. of the bank of Alexandria for 500
1 do. of the same for 500
1 do. of the same for 450
1 do. of the Bank of Potomac, No. 117, in favor of Jos. Riddle, and by him endorsed in Washington Bowie, and by W. B. endorsed to Blank, dated 6th July, 1805, for 149 dollars, 65 cents.

A check of the Union Bank, on the bank of Alexandria, drawn by R. Higginbotham, cashier, in favor of Greenham and Devereux, by them endorsed, and by Benjamin Stoddert, and C. Smith, teller.

There were also a parcel of post notes of the bank of Alexandria for 100 dollars, and for 50 dollars each. The remainder was in current notes, principally of the banks of Alexandria and Potomac, and some few of the bank of Virginia, of different sizes and denominations.

As the ATTACK was SUDDEN, and the WOUND received of a nature to deprive Mr. Peter instantly of his senses, tho' it is now hoped he will recover, the description obtained may not be very accurate. As far as we are informed, the man who perpetrated the act is of middle stature, good countenance, and had a genteel appearance. He had on a dark blue or black coat, nankin pantaloon, shoes, and a black hat. He was on foot and alone at the time, but may have had accomplices concealed, and will probably change his clothes.

Five Hundred Dollars will be given to any person or persons who will detect and bring to conviction the robber; and One Thousand Dollars additional for the recovery of the whole of the money, or in proportion for any smaller sum recovered. Should there be accomplices, and one of them make a discovery, so that it leads to a conviction of the robber, or to the recovery of the money, he shall receive the above reward, and interest will be made to obtain his pardon.
WILLIAM WHANN,
Cashier of the Bank of Columbia.
