

State of Maryland, City of Baltimore,
By THORNGOOD SMITH, Mayor of the
City of Baltimore.

A PROCLAMATION.

WHEREAS it has been represented to me by the commissioners of health, that they entertain a well-founded apprehension that the malignant disease with which the city of New York, is at this time unhappily afflicted, may be introduced amongst us unless the usual intercourse be interdicted.

I have therefore, in pursuance of the advice of the said commissioners of health, issued this PROCLAMATION—hereby prohibiting the entrance into the city of Baltimore, or within three miles thereof, of all persons whomsoever, as well as of all baggage or other goods, which have come from the said city of New York until they shall have been at least fifteen days therefrom excepting only the public mail and such persons or things as the commissioners of health may admit by a special license in consequence of no circumstance appearing to them whereby the health of the city is endangered. And in addition to the prohibitions contained in a Proclamation issued by me, on the sixth day of September instant, interdicting the usual intercourse with the city of Philadelphia—the inhabitants of this city and the precincts thereof, are hereby expressly enjoined not to entertain, receive, or admit any person or persons into their houses who may have arrived here from either the city of Philadelphia or New York, unless he, she, or they, shall have previously obtained a special license as aforesaid.

This PROCLAMATION to remain in force until publicly revoked by me, of which all persons concerned are to take notice and govern themselves accordingly, under the penalty of Three Hundred Dollars for every offence, one half to the informer, and the other half for the use of the city.

Given under my hand and the corporate seal of the city of Baltimore, this 9th day of September, in the year of our Lord, one thousand eight hundred and five.

French Night School.

NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL, in my common dwelling, between Light-street and Charles-street; but as to promise to do wonders in behalf of my pupils—I have none, it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies & Gentlemen of America, during more than 45 years; I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.

JOSEPH PAILLOTTE.

PEREGRINE TILGHMAN.
Talbot County, July 29. (A 2)

For Sale,

A TRACT OF LAND in Baltimore county, containing about six hundred acres; 4 hundred of which are supposed to be in wood. On this tract there is a handsome piece of meadow, and a young thriving apple orchard. This land is about 28 miles from the city of Baltimore, and not far from Colonel O'Donnell's country residence, purchased of Mr. William Buchanan.

ALSO,

A TRACT OF LAND containing about 300 acres, about 14 miles from the city of Baltimore, west of Randall's town. On this last mentioned tract there is a stone dwelling HOUSE, just finished, with convenient cellars, two rooms and a passage on the first floor three rooms and a passage on the second floor, and a garret; a new stone stable, corn house, and coach house; an overseer's house with two rooms, lately repaired at the expense of two hundred dollars; kitchen and other out houses, an excellent apple orchard, with other good fruit trees, and good garden.

On both places there is water, not exceeded in the county; and good clover lots. No place can exceed them in respect of health. There is a proportionate part of woodland on the last place.

I will permit the purchasers to seed the ensuing fall, or I would seed for them. The dwelling house on the last mentioned farm might be immediately taken possession of by the purchaser. Presuming that no person will purchase without viewing the premises, I do not go into detail.

Both of the above places are convenient to mills; there is a mill not more than a quarter of a mile from the last mentioned place; a good neighbourhood, and the Episcopal and Presbyterian churches within five miles. An indisputable title will be given on the payment of the purchase money.
