## French Night School.

NTOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL inmy common dwelling, between Light-street and Charlesstreet; but as to promise to do wonders in be half of my pupils—I have no need, it suffices to tell them that no language can be learned withoutigrammatical rules, even asfar as translation; the master and schollars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies & Gentlemen of America, during more than 45 years; I ought to be a competent judge. I would advise those promising youths who, will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.
