French Night School.

TOTICE is hereby given, that I the sub-I scriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL inmy common dwelling, between Light-street and Charlesstreet; but as to promise to do wonders in be half of my pupils-I have no need, it suffices to tell them that no language can be learned withontigrammatical rules, even asfar as translation: the master and schollars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial Judges who know me will certainly agree, that after having taught the French language to the most respected Ladies & Gentlemen of America, during more than 45 years : I ought to be mompetent judge. I would advise those promising youths who will favor me with encouragement; to apply as soon as possible, so that they may get some benefit of their studies by the Lith of March.
