Hannah Wiebert,

A NINDENTED GERMAN SERVANT WOMAN, ran away from the subscriber about the first of September last. She is between 18 and 20 years of age and is about the common size—of somewhat clumsy form, with a little of a bend about the neck and shoulders. She has a down look—has little hair, which is of a light color—her complexion fair, with rather a mixture of salowness. Her head and face flat, the latter of which, when she is at work, she is in the habit of twisting in a variety of ugly shapes. She took with her, a dark calico gown, and several cotton striped dresses, and a Leghorn bonnet trimmed with black. It is supposed she went off with a German, a butcher; she arrived in this country, with her father from Wittenberg, about a year since—his name is Jacob Wiebert, and he is, by profession, a gardener. Since her flight he left the city, and no doubt, he is now with her. She could speak some little English, but her father could not. A REWARD of TEN DOLLARS will be paid by the subscriber if said runaway is secured so as he can get her again. W. PECHIN. Nov. 22

French Night School,

NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but as I promise to do wonders in behalf of my pupils—I have no need, it suffices to tell them that no language can be learned without grammatical rules; even as far as translation the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies & Gentlemen of America, during more than 45 years; I ought to be a competent judge. I would advise the promising youths, who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March. JOSEPH PAILLOTTE. N. B. Private tuition, any hour during the day, so as to accommodate the different scholars whom may apply. September 9
