PHENOMENON.
A black Woman turned White.
THIS DAY, the 10th of December, and every day this week, will be exhibited at Mr. Andrew Price's, at the corner of Lemmon and East-streets, nearly opposite the Theatre, a woman born BLACK, but has since turned perfectly and most beautifully WHITE. She was born on the plantation of Mr. John Finkle, near Caton's lime kilns, within a few miles of Baltimore City; is now about 26 years of age; has a child perfectly black. Her mother, a black woman, served her time to Mr. S. Vincent of Gay-street, and he has also an own brother of this extraordinary woman.
This singular woman, who has changed the darkness of an Ethiopiate to the most delicate white, has always been habituated to the labor of the corn-field and other hard exercises; she has seldom experienced indigestion, and the remarkable change can only be ascribed to causes which the most learned and ingenious have never been able to ascertain. In Carey's American Museum may be found an elegant communication from the celebrated Doctor Huxley of Philadelphia, wherein that learned and scientific gentleman endeavors to account for the Physical cause of such phenomena, is the only instance, except the present one, that ever occurred in the United States, which was that of a man in Virginia.
The public may rely upon it that there is no deception in the above. The most respectable evidence can be adduced to prove that the woman was actually born a black Negro, and, except in these parts more immediately exposed to the sun, in her daily labor, has, from some unknown cause, actually turned to a pure and beautiful white, and what is still more extraordinary, her wool retains its natural shape and quality.
At 25 Cents for seven Prints, and half price. She will be shown from 9 o'clock in the morning until 9 at night.

Hannah Wiebert,
AN INDENTED GERMAN SERVANT WOMAN, ran-away from the subscriber about the first of September last. She is between 18 and 20 years of age; and is about the common size—somewhat clumsy form, with a little of a bend about the neck and shoulders. She has a down look—has little hair, which is of a light color—her complexion white, with rather a mixture of salowness. Her head and face flat, the latter of which, when she is at work, she is in the habit of twisting in a variety of ways.
She took with her, a dark calico gown, and several cotton striped dresses, and a Leghorn bonnet bound with black.
It is supposed she went off with a German, a butcher. She arrived in this country, with her father, from Wittenberg, about a year since—his name is Jacob Wiebert, and he is, by profession, a gardener. Since her flight he left the city, and, no doubt, he is now with her. She could speak some little English, but her father could not. A REWARD OF
TEN DOLLARS
Will be paid by the subscriber, if said run-away is secured so as he can get her again.

French Night School.
NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but as to promise to do wonders in behalf of my pupils—I have no need, it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies & Gentlemen of America, during more than 45 years; I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.

VENEREAL COMPLAINTS.
AS DR. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine yet known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages, and debility thereof, from various causes, and accidents, removed in the shortest possible space of time—As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.
DR. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines prepared, that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.
N.B. Dr. Warner has removed to the corner of Calvert and Bank-streets.
