A Tract of Land at Public Sale.

To be sold at Public Sale, on FRIDAY, the 20th day of December next, on the premises, if fair, if not, on the next fair day,
A TRACT OF LAND, on which Mr. Nicholas Dorsey lately lived, containing about 486 acres, with a commodious two-story brick house, and other necessary buildings, which, at a small expense, may be put in good repair. This tract immediately joins Mr. Richard Owings's mill property (on Elk Ridge) where a constant market is offered for the produce of it, at the very door. It is situated about 20 miles from Baltimore, and nearly the same distance from the Federal City. From its proximity to these two great markets, it is certainly an object worthy the attention of the farmer who can afford to improve it; and offers to the inhabitant of the city an eligible retreat in summer, where he will find a variety of fine fruits, and as healthy a spot as any in this country. A further description is deemed unnecessary, as the purchaser will of course view the premises—and it is expected it will be sold a great bargain.
Mr. Willing and Mr. Samuel Ridgely, who live in the neighborhood, will show the property to whoever may wish to view it.
Terms of sale—One half payable in 60 days, the residue in 1 and 2 years.
