500 Dollars Reward.
RAVE AWAY from the subscriber, about the 20th of November last, an apprentice for a Cabinet-Making business, named JAMES GRIFFIN. He is about 18 years of age, 5 feet 4 inches high, of stout make, with sandy colored hair, and much freckled. His clothing cannot be particularly described, but his mode of dressing was plain and tidy; and as he was in possession of a brown coating watch coat, it is probably he wears that to accommodate himself to the season. As, for some time past, he has expressed a desire of visiting Cincinnati, in the Western country, to follow certain of his friends who have lately migrated from hence to said quarter, it is thought highly probable he has bent his course that way. The above reward will be paid if taken out of the state, and if within the state, thirty dollars will be paid. And in both cases all reasonable charges.
