VENEREAL COMPLAINTS. S Dr. WARNER's practice has been very In extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate eases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.—As there are persons from various causes cannot personably apply, it may be necessary to inform them, they may be releived

from a description of their complaint. Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared, that a safe, effectual and expeditious cure may be effected, without the

least restriction in drink or diet. N. B. Dr. Warner has removed to the coruer

Calvert and Bank streets. Hannah Wiebert,

N INDENTED GERMAN SERVANT INOMAN, ran-away from the subscriber about the first of September last. She is between 18 and 20 years of age; and is about the common size—of somewhat clumsy form, with a little of a bend about the neck and shoulders. She has a down look—has litte hair, which is of a light color—her complexion fair, with rather a mixture of salowness. Her head and face flat, the latter of which; when she is at work, she is in the habit of twisting in a

variety of ugly shapes. She took with her, a dark calico gown; and several cotton striped dresses, and a Leghorn bonnet trim'd with black.

It is supposed she went off with a German, a butcher. She arrived in this country, with her father, from Wirtemburg about a year since-his name is Jacob Wiebert, and he is, by profession, a gardener. Since her flight he left the city, and, no doubt, he is now with her. She could speak some little English, but her father could not. A REWARD of

TEN DOLLARS Will be paid by the subscriber, if said run-away is secured so as he can get her again.

Nav. 25 French Night School.

NTOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL inmy common dwelling, between Light-street and Charlesstreet; but as to promise to do wonders in behalf of my pupils—I have no need, it suffices to tell them that no language can be learned without grammatical rules, even as faras translations the master and schollars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies & Gentlemen of America, during more than 45 years i lought to be a competent judge. I would advise those premising youths who will favor me with encouragement, to apply as soon as possible, so that they may get, some benefit of their studies by
